KLAMATH FALLS CHAPTER REPORT

Elections are just over for the positions of Master of Arms and co-ordinator with Les Plowman being elected Master of Arms and Joe Rodgers being handed the reins from Preston Shaw. Preston has gratefully stepped down to being a State Representative after a hard 14 months.

In November we are considering backing one of the men running for Oregon's State Representative.

Membership drives are under way with posters being put up, while a new banner for our local is being made by Lois Pengraph.

The 25th of July was our family day meeting. More later when we find out who win the games. Vans were supplied to haul the kids out. We will be hosting the state meeting on August 14, 1982. The location chosen is Stevens Hotel in downtown Klamath Falls. It's newly remodeled bar and restuarant will provide us with a banquet room upstairs. See you there!

The end of the season Poker Run promises to be even bigger and better this year. More info will be out later as everything is finalized.

Our local is trying hard to generate money and good publicity for ABATE. Some of the doings are yard sales to Bike shows in the shopping malls.

We are also having our artists coming out of the walls. We've had poems and stories passed on to our newsletter secretary for publication in our local newsletter. If they're good enough maybe we'll see them in our State newsletter.

I wish to thank Preston Shaw for his work in leading our local to this point. I hope we can continue to show the public and our politicians that we can work together to retain our individual rights.

See you all soon with more to come.

Joe H. Rodgers
Co-ordinator

***** NOTE *****

I have let the 15th dead line on input to the newsletter slide for the first two issues with me as editor. I knew it would take sometime to get my address to all chapter secretaries. And you needed to know that your newsletter would be printed.

I have some firm dead lines to meet with the printers, the people who help me sort, address, and stamp the newsletters, and I've set a possitive mail date at the post office (when you drop 650 peices of mail on them -- it's by appointment only.)

So as of this notice any input for the paper not in by the 15th of each month won't be in the next issue.

Vigilante assists in stolen motorcycle recovery

A member of the Vigilantes for Justice, Myrtle Creek's citizen crime patrol group, was credited with helping recover a stolen motorcycle last Friday.

Police on routine patrol spotted the motorcycle on a downtown street and radioed in to check on it. When the report came back that it had been stolen in Long Beach, Calif., police went back but the motorcycle was gone.

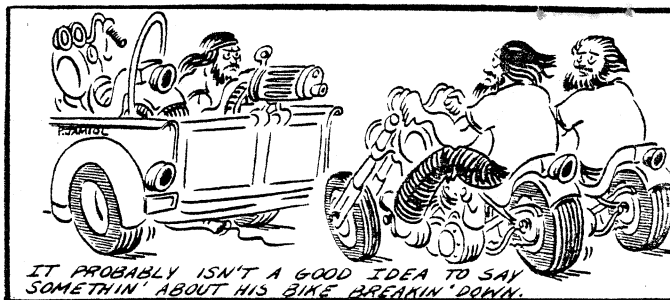

A Vigilante later saw the motorcycle parked outside a residence on Division Street and called the police.

Joseph William Cox, 20, of Long Beach was arrested at the home on charges of unauthorized use of a motor vehicle and was lodged in the

Douglas County jail.

In another incident last week, three sets of ignition and gas cap keys were stolen from a van and two pickups in the school bus yard behind Myrtle Creek Elementary School.

The thieves apparently climbed over the fence to get into the bus yard, police said.

COOS COUNTY MONTHLY REPORT

Coos County is having a run August 28th & 29th. We are now selling tickets. We will be sending tickets and fliers to each county chairman. Advance ticket sales are to end August 15th, this is not on our flier.

A date has been set for the lower end raffle, it will be Saturday night August 28th at the run. So if any of you still want to buy a ticket you can. The price is \$3.00 a ticket.

Larry Waters from Coos Bay will be there all day Saturday to sell hot dogs. We would like to have a few more concessions, so if anyone wants to have one please let us know.

Run Committee are as follows:

BAND—— Sue & Paula
FOOD—— Erick & Kelly
GAMES—— Mac & Susan
BEER—— Doug

On our car drive we now have some posters to put up around town. We are getting a large pile of cans.

We sent a letter to our County Parks Department to reserve Nesika Park. But we were refused. Since the park is used on a first come, first serve bases we will be there first. The band and beer will be at Ron's just up the road a few yards. In the park we will hold the games and dinner will be served there also. Looking forward to seeing every one there.

***** ABATE of Central Oregon *****

Our chapter is now 3 months old and getting larger by the month. We started with 12 members and we now have 23 members.

We have had 2 runs and planning our 3rd. We also have a Poker Run planned for August 1st.

30 people enjoyed volleyball, scooter games, horseshoes, poker, spaghetti, beer, music and a lightshow at the 1st annual Central Oregon Chapter Sisters Run, July 10th & 11th.

The meetings are every 1st and 3rd Tuesdays of every month. First Tuesday of the month, the meetings are held at 7:00 at the Madras Grizzly Bear. The 3rd Tuesday the meetings will be held either in Prineville, Redmond, or Bend. Our Treasury started at 0.00, to approximately \$200.00.

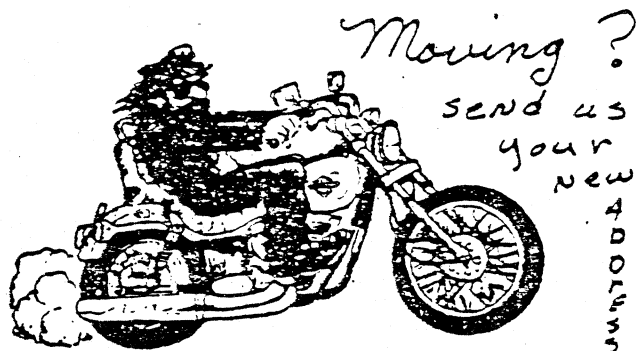

We are all very proud to be in this fine organization and we are looking forward to what it has in store for us next. We would also like to invite anyone that would like to attend a meeting to feel more than welcome. Your presence would be more than appreciated. We could use as much information and help as possible to get our Chapter going, to be known throughout Central Oregon. Thank You.

Right after I read your monthly reports, I called Mike Button and read them to him. And we both agreed that your chapters deserved a big vote of confidence for one hell of a great start.

"TECK TIPS"

One of our new additions to the newsletter will be a teck tip each month. I contacted Howard Campbell and Joe Smario over at Northwest Cycle and ask them if they would work up a teck tip for me each month.

Howard said, "One move that might be over looked if your in a hurry with a plug change is making sure to clean out around the old plugs before you remove them. Use an air hose if possible to remove road dirt and small rocks."

Joe says a little old pebble between a piston and cylinder will leave dynamite scores in the cylinder walls. And if a pebble should get caught under a valve --- pow --- piston, valve contact. So clean around your plugs before you pull them cause it just might save you some big bucks for an overhaul.

Compliment of Northwest Cycle

Hazard Of CP

Then there is the story in the *New England Journal of Medicine* (April 29, 1982) of the bartender who flew to the aid of a 60-year-old man who collapsed at a social function. Trained in CPR, the bartender administered successful mouth-to-mouth breathing and chest compression until the paramedics arrived. The man was taken to the hospital and treated for an infarction.

Six days later, he had fever, pus filled sputum and anterior neck pain over the thyroid-cartilage area. Soft tissue radiographs revealed a foreign object in the hypopharynx, which was removed. The foreign object turned out

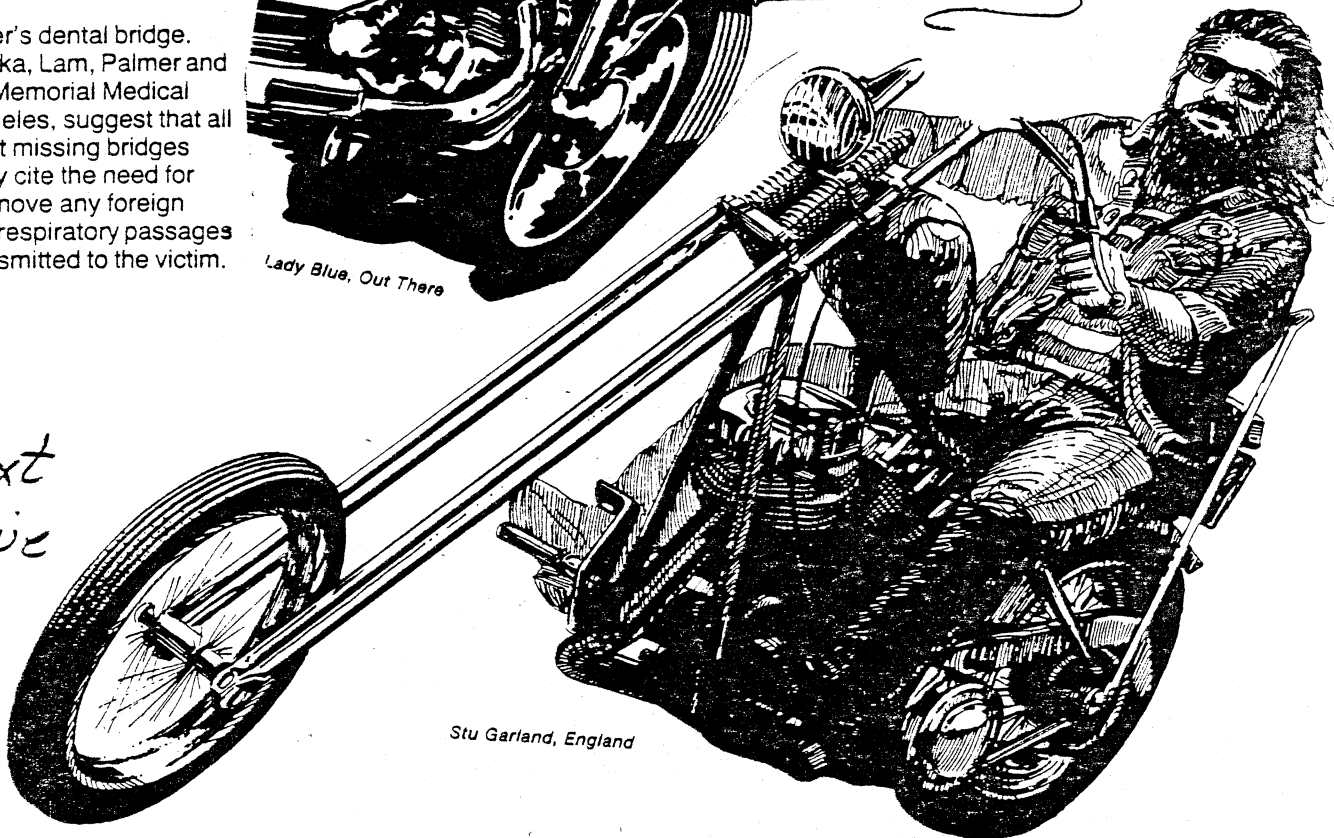

to be the bartender's dental bridge.

Drs. Shih, Tanaka, Lam, Palmer and Lau of the White Memorial Medical Center in Los Angeles, suggest that all resuscitators report missing bridges immediately. They cite the need for resuscitators to remove any foreign objects from their respiratory passages that might be transmitted to the victim.

ADDITIONAL NOTES FROM DOUGLAS COUNTY
HIGHLIGHTS FROM THE MEETING OF JULY 18th

The meeting held at Mr. Pizza on July 18th was a long one as there was much to discuss. Here are some of the main topics of discussion ----

The second Rummage Sale (with the leftovers from the first sale) will be held in Myrtle Creek at John & Jeannie Howze's house (350 Chickering - turn at Country Corner Market- up Walnut St., turn right on Hill St. and then left on to Chickering).

There will be a Horseshoe Competition on August 14th at Joe & Pat Smario's house in Tenmile (near Tenmile Store). Beverages will be sold for .25¢ a cup and hamburgers for \$1.00. The price for admission into the competition was not set but if you want to enter, be prepared for an entry fee. Prizes will be awarded.

Don't forget to get busy on your entries for the ABATE Art Calendar Contest. Entry deadline is September 1, 1982.

The Windy Creek Run was discussed quite a bit. We voted to have the admission price for the run be \$9.00 a person without a price break for couples. The admission price will include beverages, live music, dinner Saturday night. (barbequed chicken dinner), bike games and the RUN PIN. This will eliminate having to sell the Run pins at additional cost. There will be door prizes and awards for the bike games and raffles for 1 hours worth of tattooing by Mike Button for both a man and a woman. Mike is donating this to us to raffle off- THANKS MIKE. There will be other raffles as well to benefit our Easter Seal Camp fund.

ABATE of Douglas County has been invited to ride in the Winston-Dillard Melon Festival Parade. The parade will be on September 11th. If you are interested in participating in this, stop by Northwest Cycle in Winston. You must fill out a parade entry form - no entry fee is required. We would like to have a good showing so fill out the form, get your bike cleaned up and let's show our stuff!!!

We have two possible car washes in the organizing stages. These will be held as fund raisers for our chapter. One will be held in Roseburg and the other in Sutherlin. More information will be available at the next meeting. We will need people to help out. Let's not have the same people doing all the work. VOLUNTEER!!

Occasionally we will be holding raffles of donated items at our meetings. The ticket sales will be at both meetings with the actual drawing at the 2nd meeting of the month.

Our chapter has set up a Telephone Committee to contact people regarding up coming events and encouraging them to come and participate. (After all we exist to help all motorcyclists). So don't be surprised if you receive a call reminding you of a meeting or other ABATE function.... we would like to see more people taking part in ABATE.

ABATE OF DOUGLAS COUNTY

CHAPTER REPORT

The only real exciting news to write about is the SUMMER RUN at Gunter Park near Drain, Oregon. The run was held July 10th and 11th. Although the planning of the run was a little slow getting off the ground, everything went off real well. There weren't as many people as we thought there would be (where was everybody??) but those who attended had TOO MUCH FUN (ask Donnis). The weather was fantastic, the band played until the wee hours of the night (morning?) and the beer was plentiful. Terry Allen was a great chef providing hamburgers, hot dogs and frito pies for all those who were hungry enough to fork out the extra money. During the afternoon we held some bike games and here are the winners. CONGRATULATIONS TO:

Slow Bike Contest - Milo

Ping-Pong Ball (in the spoon) Contest - Gordon & Sheila

Wienie Bite - Milo & Donnis

Thanks to Mike Button, Ed Halkyard, Terry Allen and all the others who helped put the SUMMER RUN together and worked at the park during the run.

And speaking of runs - Remember the WINDY CREEK RUN at Windy Creek Park near Glendale, Oregon. This run is the week-end of September 18th and 19th and is our 3rd annual run to this park. To commemorate the occasion, we will be offering a Run pin at additional cost. Fliers and tickets will be available soon but in the meantime — MARK YOUR CALENDARS - SEPT. 18 and 19th.

Correction - In the last chapter report I reported we had sent three children to Camp Easter Seal. Actually, due to an increase in the camp fee, we were only able to send two children.

Our meeting for the first Sunday in July was cancelled since it was the 4th of July. The next meeting will be at Mr. Pizza on July 18th at 11:00 am. The meetings in August will be at the same place and time on Aug. 1st and Aug. 15th.

Motorcycle club members make sure cancer victim achieves lifelong wish

TROY — This year, Larry "Buzzy" Ragen is going to make it to Daytona, Fla. — thanks to a little help from his biking friends.

About 125 members of local motorcycle clubs raised \$300 at a small Pawling Avenue bar called The Station Friday night to make sure the "around 30"-year-old Duanesburg man with cancer got his lifelong vacation wish.

"He's always wanted to go down to 'Bike Week,' when bikers from all over the country get together in Florida," said Gary Worden, a friend of Buzzy's ("That's short for buzzard") and The Station's owner.

"We wanted to do it now, because, most likely, this is

going to be Buzz's last chance to go," added bartender Freddie Kirch.

Attending the \$10-a-head party were bikers from the Capital District Custom Motorcycle Association, Friends of the Road and the Albany and Schenectady County chapters of ABATE (A Brotherhood Against Totalitarian Enactments).

With Worden supplying the space and the Capital District motorcycle group picking up the liquor tab, Ragen's friends were able to "do a lot better than we thought," the bar owner said.

"We got a lot of support from a lot of the neighbors," Worden said, citing food contributions from Mango's Pizzeria and

Champ's Food Service. Music also was provided gratis, by the local rock band Smokin'.

In addition, the cyclists received free advertisement of their fundraiser on radio stations WPYX-AM and WQBK-FM, both of which aired announcements of the event throughout the afternoon Friday.

"He was real surprised," Worden said of his friend. "He recently got out of the hospital — he's been in and out a lot — and was at home. We got his girlfriend, his friends, to talk to him and let him know the club was going to meet at the bar that night and that he should come out."

He did. Now he's gearing up for his day in the Daytona sun come March.

In our July newsletter credit wasn't given to Jean Howze for the work she did on our Douglas County Chapters new flag. Special Thanks to Jean for all the help and support.

Betty

NEWS FROM NE ABATE

Our meetings are still at Gino's Pizza (108th & Halsey) in NE Portland every 1st & 3rd Wednesday only at 7PM during the summer; we'll resume our 8PM started time this fall. Call Don, our membership secretary, 255-7793, if you need information.

Our current concerns are the hand gun ban threatening Portland; it recently went into effect in San Francisco and other cities are jumping right into it too. Also, the anti-abortion bill Hatfield is trying to put through at the national level could urge us to pick up our pens and get to writing letters again. We want to keep freedom of choice in all issues that affect our human rights as much as possible. We're also investigating insurance companies and discovering that many of them are banning together to make insurance costs so high and putting so many restrictions (especially for HD riders) on obtaining insurance that if we don't do some banning together ourselves, one of these mornings we'll wake up forced to return to cages because we can't afford or can't even get insurance on our bikes.

We welcome 3 new ABATE chapters in Oregon: Emerald Empire, Hood River, and Bend!

Upcoming runs are: Portland ABATE summer Run 1982 Aug. 21-22 at McNeil Campground
Coos Bay Run August 28 & 29
Beacon Rock Run (Washington ABATE) August 28 & 29
(check other places cause I know I've missed some)

We're looking forward to seeing the new pins and other identifying paraphernalia ABATE is cooking up for all of us; don't forget our unique calendar too!

Summer seems to bring more accidents: Pete Wilson, our SE membership secretary is in Portland Adventist Hospital with a broken leg from being hit by a cage; his bike is wasted. Also "Shoe" from SE is in a Gresham hospital. Larry Callahan's funeral was Friday, July 9 and Rodney (both Outsiders) is still in a coma from an accident they had while riding together over the 4th.

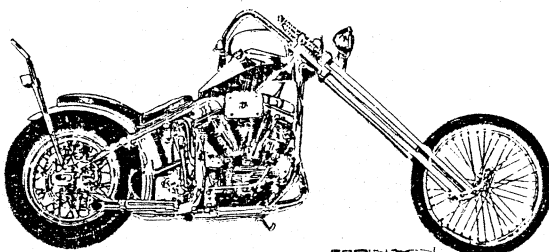

Neil & Martha hosted a backyard potluck for our chapter and friends last Friday night. Many came and enjoyed a cool evening of lots of home-cooked food and lots of beer and no trouble from their neighbors! Thanks, N & M! Next?

Some of us are gearing up for Sturgis; let's get in contact with each other and make plans. Wouldn't it be great to have a big representation from Oregon there this year????!!

Till next time, jes leaping along...Jan, NE Secretary 7/15/82
