**** CHAPTER REPORTS ****

**** BEND CHAPTER ****

Our last two meetings have picked up in attendance. The meeting on Oct. 9th was especially long as the Chapter provided the pizza - members bought their own drinks. Several members contributed to the "Big-Bucks" contest, but I don't know that we had a winner. Pat Cunningham won the \$7 drawing which is held each meeting. Also ask him what he won in the brown-bag raffle held last meeting.

Bend Chapter and the Christ's Diciples will be working together on the community dinners given to those in need of a free good hot meal during Thanksgiving and Christmas. There's also a good chance we'll be selling Christmas Trees together as well. The Chapter will also be donating home-made cookies and door decorations to the fifty elderly and/or ill people who live at Central Oregon Health Care Center. We're also going to be donating two Christmas Trees for the dining area of the center.

Welcome to our new member, "Mac", and thanks to all the old members who re-up'd. Be sure to check your address label to see when your membership expires, and re-new early!

-Vernita

**** DOUGLAS COUNTY CHAPTER ****

As of this writing our chapter just completed its second Better Biking Program. The attendance could have been a bit better but again, those who participated had a good time and learned something in the process.

By the time this gets out the Halloween Party planned for October 27th will be history. Our chapter will begin having monthly fund raisers; these are generally not planned far enough in advance to advertise in the State Newsletter, so chapter members will have to attend our meetings or watch the local newsletter to see what we're doing. As of our October 7th meeting, we began selling tickets for our wood raffle, the prize being a cord of wood. Tickets are being sold by chapter members for \$1 each, and the proceeds will go into a savings account to send children to Camp Easter Seal next summer. The drawing will be held at our November 18th chapter meeting.

The pictures for our 1985 calendar have been selected and we're in the process of obtaining quotes for the printing. If everything goes according to plan we should have the calendars at the December State Board meeting in Eugene. As in the past we will allow your Chapter Rep to bring some back to sell at your chapter meetings. These calendars make excellent Christmas gifts, especially for your friends in other parts of the country. You can give a gift that will be used all year long and will help spread the name ABATE of Oregon! Best wishes for a Happy Thanksgiving to all members!

-Joy

**** EMERALD VALLEY CHAPTER ****

Hello from Emerald Valley! This brings to an end a very busy summer and starts a busier winter. We've held 2 BBP classes, our Summer Run, & the raffle for Rod. (He's doing great! Right side is still paralyzed, but he is talking quietly and making sense, and that's unusual for Rod!) Now we're heading into a breakfast on Oct. 20th, a barbeque Oct. 27th, a bathroom party on November 10th, and a Toy Run the 17th of November. In the planning stage is our second annual Valentine's Party.

We turned in a handful of Action Reports from the witnesses at Rod's accident. I hope they won't fall on deaf ears. We do not need a public servant like the State Patrol man that was at the scene. While talking of Rod I'd like to thank S.E. Portland Chapter, St. Johns Chapter, Free Souls M/C, & the Willamette Valley Riders for their fast response on the raffle. While I'm thanking people, I'd like to add a few names that made the year work: THANKS! - Leroy, Ed, Rusty, Debby, Ted, Linda, Gail, and Jim for the great B.B.P course and instruction. THANKS! - Don, Janet, Rusty, Debby and Lynn for putting together the raffle for Rod. Thanks to Gail for the report on local people running for State Representative. Great job, Gail! Last but not least, a BIG THANKS to our Coordinator and our Treasurer, without whom nothing would have happened this year. There would not have been a Summer Run, B.B.P. classes, or Emerald Valley ABATE without you, Bob and Linda.

We have six public service announcement tapes out to radio stations. I hope they will make some of the public aware that there are motorcycles on the road too!

-Doc

**** JACKSON COUNTY CHAPTER ****

Our South Umpqua Run was a BLAST!! Everyone had a good time, including the kids, who had a money dig, thanks to Fuzz. I must say they all came away with quite a handful of change. I want to express our thanks to Klamath Falls Chapter, who participated with us at this run. It was great to have you there, and I hope we can get together more often. All in all, everything went well, and there were no problems.

Our Frosty Pumpkin Run is coming up October 27th. We'll be having a scavenger hunt and a chili cook-off. There'll be prizes for best costume, best chili, etc. We'll be charging 2 cans of non-perishable food as admission.

Our Toy Run committee is hard at work and we hope to make this year's run even better than the last! Until next month, ride safe, stay happy and healthy!

-Kitty

**** KLAMATH FALLS CHAPTER ****

Hello from K. Falls. As was previously stated in September's Newsletter, we held our 1st annual MDA/ABATE Pool Shoot. We would like to challenge all chapters to meet or beat our donation next year.

We held our B.B.P. course on October 7th. The riders taking the course learned a lot and rode with more confidence at the end of the day. This is a very beneficial course; we urge all motorcyclists to attend in order to better their riding skills.

-Ride Safe! Connie

**** LINCOLN COUNTY CHAPTER ****

The Lincoln County coast is once again back to gale warnings and lots of rain. We were very lucky on our Better Biking Program - we had one of the few sunny days that occur in the fall. Ed and LeRoy were super on playing boss. I watched the riding program and saw a great improvement in riding skills as new habits were being instilled. We had 12 people taking the class and everyone passed. We had one rider (I won't mention any names) who really wanted to take the course, but his Harley was undergoing an engine rebuild, so he borrowed a Yamaha with "Women On Wheels" pink stickers on it. That's what I call dedication!

My husband, Bob, took part many years ago in the demonstration in Salem protesting the mandatory helmet law over freedom of choice. This leads to his hunting out of season with an illegal weapon; he was coming home from work about 11pm one evening when a deer leaped out in front of him about 1/4 mile from home. He hit her and dumped the bike. He needs new sleeves on his jacket, but the leather saved his arms. There's a white streak on the pavement where his helmet slid along and all he needed was a couple of aspirin for his headache. He came out a lot better than the deer. We firmly believe in freedom of choice on wearing a helmet, and I'm so glad he chose to wear one on this occasion.

By the time you read this, Rich should (hopefully) be back to work. He hurt his back on the job. Get better soon. This comes from us and I'm sure from Laurie so she only has one to care for.

**** NORTHEAST PORTLAND CHAPTER ****

Hello once again. By the time you read this our Fall Ball Toy Run benefit will be over. Sure hope everyone had a good time. Congratulations to Dr. Dave and Jan who got their pictures in the 17th issue of IN THE WIND magazine. I think they were taken at STURGIS '82. I'm wondering if anyone else traveling on I-5 Saturday after the State Board meeting saw the full-moon shining from the window of a white van. It was quite a sight. That's all for this month - get out there and register, then vote for the people who'll help us! Happy Thanksgiving!

-Leslie

**** RIVER CITY CHAPTER ****

The last month has been tough to get any work done in. Half the town is down sick and the other half is out trying to shoot something safe to eat. River City has made some progress just the same. We have several new members as well as a couple of paid up renewals. Welcome aboard!

The B.B.P. course in Hood River was canceled due to lack of registrations, but the course in The Dalles went fine. You people who didn't take the class don't know what you missed. The course was tough and it works. Definitely a bargain at \$10! Thanks to Ed and LeRoy for a job well done. A special thanks is due to Connie for helping set up the range and for refraining from photographing me squishing little orange cones.

The chapter has some projects cooking. The run committee is busy putting together something special for next year. Brian won the attendance raffle (sorry Craig, no free breakfast) All you folks we haven't been seeing lately should get in touch. Don't be left out!

-Vernon

**** SALEM CHAPTER REPORT ****

As we approach the cold winds of Mr. Winter and drag out the heavy leather coats, and say good-bye to the warm days of summer and all the fun events that took place, it's time to say hello and welcome back to our chapter meetings which everyone has kinda put in the back of their minds. As we all know, ABATE of Oregon is having a membership drive and our chapter membership is growing larger and larger. But somehow, there are not enough faces at the meetings to match the long list of members. So grab a friend and head on down to Pietro's Pizza Parlor and help us win all the nice prizes the State is holding for the lucky chapter that wins the membership drive. Also don't forget about the prizes our chapter is giving away to the person or persons who bring in the most new members before the end of the year.

Our one year anniversary party is just around the corner. Such a special date deserves a special event, and that is just what we're planning to do. On Saturday the 1st of December, we'll be having an anniversary party. You and all your friends are invited to attend. To find out the details call Joe or Barb Calderwood @ 623-4981, or attend one of our November meetings - either the 12th or the 26th.

The Chapter's efforts in forming extra committees to work on public relations and fund raising are not panning out. We're working on raffles and our anniversary party as fund raisers at this time. The officers will work on fund raising and discuss this at the officer's meetings. If you would like to help please bring your ideas to the next officer's meeting all members are invited to attend these meetings. We decide when and where these meetings will take place at our regular chapter meetings. Looking forward to seeing everyone at our anniversary party!

-See ya! Barb

**** SOUTHEAST PORTLAND CHAPTER ****

Our Toy Run committee is working at full throttle to put together the best run ever seen. We're going to be meeting at the Fulton Park Community Center, 68 SW Miles, just a coupla blocks off Barbur Blvd. at 11:30am. There will be T-shirts this year rather than pins or patches. West Portland Chapter is going to serve coffee and donuts again. Full Traffic control will be provided this year. We have 4 elves, and TWO Santas - one from the South Pole, & one from the North! There'll be a National Guard truck to ferry everyone up the hill (as before, there will only be a maximum of 50 scooters allowed in the U. of O's. parking lot. There's going to be one more benefit for the Toy Run - it's to be held on the 17th of November at the Gypsy Joker Clubhouse from dusk-to-dawn. At our last meeting, we had \$1,248.54 in the Toy Run account. Wouldn't it be great to be able to donate \$2000? We could do it if everyone will attend the benefit I just mentioned.

Our chapter voted to give a "grant" to pay for four area Driver's Ed students to take the B.B.P course. I ought to have more info for you next month. That's it for now. Ride free and warm, and stay dry!

-Gary

**** WASHINGTON COUNTY CHAPTER ****

It's November already and before I forget, hope that each and every one of you have a fantastic Thanksgiving! Our fund raising committee is still going for it and they've planned a Chili Feed/Cookoff for November 10th at Forester Hall. For a \$5 fee you can enter your pot of chili and perhaps win the whole pot of money. Everyone get busy cooking and come out and have a good time. Check our posters for more info.

Washington County's B.B.P. course was a success with all eleven participants successfully completing the course. Our next class is scheduled for the 20th of October.

A message from our Legislative Director, Doc: Elections are coming up - whoever's elected to represent us will have the power to turn BILLS into LAWS. Do you know where the candidates stand? Are you registered? Then VOTE!

Barber is still busy working on our second annual Toy Run, to be held in Hillsboro on Sunday, December 10th. Come out and join us to benefit the children of our area. Toys may be new or homemade. Put a smile on a child's face this Christmas. And thanks, Barber, for all your hard work.

'til next time, ride free and safe!

**** WEST PORTLAND CHAPTER ****

I hope that everyone makes the effort to vote. It's a responsibility everyone shares. I haven't talked to our Chapter Reps yet, but I understand that John Botorf is the winner of the ABATE ring we raffled (finally) at the October State Board. Congratulations, John. That's \$52 for our chapter treasury.

I've got my tickets for St. Johns Chapter Silver Falls State Park Run - looking forward to it!

Not much happening right now, but I went out and bought a bunch of pens in anticipation of the legislative year that's upon us. 'Til next month, ride safe & free!

* SCREAMING EAGLES MOTORCYCLE WORKSHOP *

TO THE EDITOR: On behalf of the members in the club here I'd like to respond to the letter from R. Rice that appeared in the October Newsletter.

The club here was shut down by the superintendent, but there is more to it than what was written in that letter. The person who wrote that letter was kicked out of the club by the members after we discovered he was in prison for child molesting, rape, robbery, and shooting a little kid in the head. He turned himself into protective custody and that's where he wrote his letter from. What's he trying to do now, tell on somebody?

Our goals here were to build a motorcycle and have a toy-run, which in fact we did, with the help of people on the streets wanting to participate. I think the people out there know they were appreciated without having to be told, which I think most of you were.

In 1984, this club went further than it ever went before. Things that shut the club down still aren't clear and are being appealed. Too bad things didn't go right but shit, this is a prison!

Respectfully,

"Bake"

Pres., S.E.M/C.W.

TO THE EDITOR: As the former Vice-President of the Screaming Eagles Motorcycle Workshop, I'd like to clear up a few matters concerning Robert Rice's letter to your Newsletter (Oct. 84). First off, I don't want to use your newsletter as a chessboard, but Mr. Rice was, in fact, a secretary of the club until he was kicked out for being found out as a child rapo/sodomist, plus he shot a little kid in the head. He lied and denied being a rapo when he was originally screened to join the S.E.M/C.W. We found out what he was charged and sentenced to the prison for when we read the paper work on this so-called "biker". He checked into protective custody in Feb. '83 and has been there ever since. He never talked like he did in his letter when he was in population with the rest of us. He's nothing but a weak lowlife punk who gets his jollies diddling little kids. If ya don't believe me check it out! Well, enough of that scumbag.

As far as the S.E.M/C.W. getting shut down, it was not because we did anything wrong - we were set up by prison officials and an informant, who turned out to be the guy who got into a fight with the President and could not take the ass-whipping he had coming for disrespecting the prez in front of the shop members. Not only did he have the nerve to tell the prez to leave the drag bike alone; that he couldn't work on it, he also told the prez to f**k off! That seemed to start the whole deal of us getting shut down. It (the super's bulletin) said TWO members attacked another. Bullshit! It was a little fist fight, over in a few minutes, and the guy who got tuned-up for disrespecting the Prez ratted; now the prez is in the hole for 9 months, doubled to 18 months. Our treasurer got 9 months in the hole for just watching the fight! We have all the paperwork to prove these people are screwing us over.

As for drug smuggling, I was accused of bring drugs in, along with the Prez, the treasurer, and our hobby shop section manager - we were charged with unauthorized organizations, conspiracy, manufacture, possession of narcotics, and disobedience of an order; all of these charges are based only on the statements of an informant, who just happens to be the guy who got tuned up by the Prez. There's no evidence; no drugs were found and there are no witnesses. We're being railroaded because the informant has been (is being) compensated by the administration to discredit and defame our club and our reputations as officers of the club, and also so he can get some kind of revenge. Since all this happened we've found out the informant was in Walla Walla prison when the W.S.P.M.A. got shut down, and that he has ratted on other people in other joints, and here we are doing from six to thirty months in the hole.

(continued on next page)

7
(S.E.M/C.W. continued)

We tend to believe that this guy is involved in a greater conspiracy with prison officials. I'm doing one year in a 6X9 cell, just for building a good club, getting a racing bike up and teaching other tramps skills that could keep them out of trouble. My brother, Steve Baker, is doing thirty months in a 6X9 for doing the same as me; my brother Dave Taylor is doing 15 months in a 6X9 for being a good treasurer, & Terry Zimmerly is doing 6 months for just making good saddle bags, wallets & other leather goods.

The ammo found in the yard the day of the bike show is the same caliber as the guns used in the prison's guard towers, and that's all I'll say about that. We really got screwed on this, but we'll see them in Federal Court. We're currently on the way to proving how we were set up. I hope you'll print all of this. It's a fact we have done nothing wrong; as for Mr Rice and his little sympathy speech, I don't think his pathological lying, ass-weak mind will ever comprehend brotherhood. It's been the waterheads like him who've slid in and caused excessive heat to our good name. Hey, there's many of you who know us and have been to our meetings. We've done too damn good to screw things off by being stupid! Sure, some of us like smokin' dope, but to jeopardize the whole club is insane! The S.E.M/C.W. was all us locked-down bikers had!

My brothers and I are going to court because we're innocent and can prove it. We know what brotherhood is about and even in prison we strive to keep it strong. Our struggle is never ending as the system pushes us down. We ARE right and won't give up to their injustice. Thanks to all of you for all of your help!! We ain't done yet!

Respectfully submitted,

Angel Rodriguez,
Vice-Prez, S.E.M/C.W.

TO THE EDITOR: I would like to thank the Screaming Eagles Motorcycle Workshop for the really great prizes that I won in their raffle at the Bike Show. The saddle bags and tool pouch are unique and will remain special to me for many years to come! THANKS!!!

*** A.B.A.T.E. - A BROTHERHOOD AGAINST TOTALITARIAN ENACTMENTS ***

ABATE is motorcycle enthusiasts from all walks of life that have come together to work for sensible legislation, to voice the need for safe freedom of our public roads, and to foster and promote motorcycle awareness to the general public. We want everyone to know that we are doing all we can to make motorcycling safer for all.

ABATE is a legislative action organization and has been instrumental in effecting fair laws concerning motorcycles. ABATE worked to repeal the helmet law in 1977 and defeated a repressive insurance bill in 1983.

ABATE conducts motorcycle safety classes throughout the state in an effort to educate motorcyclists and thereby reduce the number of accidents involving motorcycles. If just one life is saved by this program, ABATE should be considered more than worthwhile.

ABATE members are active in their communities, giving toys to childrens hospitals at Christmas, feeding senior citizens at Thanksgiving, and donating blood to the Red Cross.

ABATE of Oregon, Inc. is a statewide organization with local chapters. Each chapter conducts business according to its own needs, under guidelines established by the state board. The state board is made up of two representatives from each chapter, the officers of the board are elected from these representatives. The state board meets monthly and the meetings are open to the general membership.

ABATE sponsors runs throughout the state to raise funds for operating expenses and charitable organizations. These runs provide people a chance to get together, have a good time and share experiences and ideas for the betterment of motorcyclists statewide.

When
accepting your
multiple-page
copying and
duplicating orders,
does your
printer . . .

. . . assign a technical representative to monitor and control your order from start-to-finish?

. . . visually inspect your originals, looking for missing pages, numbers, copy out-of-sequence, or poor originals?

. . . make quality inspections at four specific areas during the production process?

. . . work with you to find ways in which to make your copying/duplicating problems their business?

At Action Copy Centers, we do! And we work very hard to be good at this all of the time, not just some of the time.

You'll see what we mean when you call 287-8321 and ask for an Action Copy Executive.

Specialists in multiple-page reports, manuals, registrations and presentations.
