An Open Letter to A.B.A.T.E. of Oregon

Five years ago when I moved to Oregon from the East Coast, I became a member of A.B.A.T.E. of Oregon. I have taken my membership very seriously both on a chapter level and on the state level because I found here a freedom that is unknown back East.

That freedom is very precious to me. The freedom to ride without a helmet, if I so choose; the freedom to ride with a minimum of hassles from others; and the freedom to ride with a group of people who feel as I do. To protect this freedom, I worked and I fought and I did what I was capable of doing so no one here would have to experience what goes on in other states that do not have these freedoms.

"Mother A.B.A.T.E." with her clipboard has been a very familiar sight to all of you these past five years. Now however, events are forcing me to re-examine this involvement.

Theresa, Dennis, and I were deeply involved in rewriting the State Bylaws to update them. How many members even know that we have By Laws, much less what is in them?

Our Better Biking Program was the result of several years of work on the part of many. My old man and I took a beginning riders course before our course was established; wore helmets for the course; and we both feel, as a direct result of that class, that there was a picture of him in Bikers Lifestyle on crutches and not a tribute to a downed brother.

This past year, A.B.A.T.E. members protested following the rules established by the Motorcycle Safety Foundation regarding wearing helmets for our course and so our goal of training 150 riders fell short.

And, on a more personal level, as I was working the gate at our McNeil Run, I watched my dog get run over by a 72 Chevy Utility 4X. The driver, a member of the S.E. Chapter said she would pay the vet's bill. That was last August and after repeated requests the latest I heard was that it was "just a dog". The owner of the vehicle states that he has insurance but he doesn't want it turned over to the insurance company. The bill came to over \$700. This is the biker "brotherhood"?

Does anyone out there care? Does anyone else believe in the "Brotherhood" of A.B.A.T.E.? Does anyone else fear that the conditions in other states which convinced me that my riding days were over could happen here? Does anyone care?

Ride Free? (For how long!)

Carolyn

**** CHAPTER REPORTS ****

**** BEND CHAPTER ****

Our Thanksgiving dinner co-sponsored with the Christ's Diciples was a big success. We fed approximately 200 people, including the volunteers. We're going to have a repeat on Christmas Eve. Also during December we hope to ship some toys, along with clothes from the Christ's Diciples Thrift Store, to Mexico - some of our members are planning on making the delivery in person, and they'll be taking pictures of the event so we can all "be" there.

I want to extend an invitation to all our Central Oregon Members to join us at our meetings; also our members in Gilchrist, where are you? To all of you through out the state, HAVE A HAPPY AND FRUITFUL NEW YEAR! RIDE SAFE AND LIVE LONG.

**** JACKSON COUNTY CHAPTER ****

Hi everyone! Hope you all had a super Christmas and a great New Year. Our fourth annual Toy Run this year was a huge success. The weather was nice and everyone really enjoyed themselves. We had people come from all around. It was a real good feeling to see some old friends and make some new ones. Speaking of "new", as you know, we sold raffle tickets for \$1.00 each again this year for a new set of leathers donated by S. Accessories. Well, our WARMEST congratulations for winning (and I might add that she bought ONLY one ticket, folks!) goes to Karen Tambourine of Midland (near K-Falls). Goes to show you don't have to live IN Jackson County to be a winner. EVERYONE HAS A CHANCE! Hope you enjoy them, Karen!

Our thanks goes out to ALL who participated in this run; to Toad, our Parade Marshall, and of course, Chief Day and the Navy Reserve for working so close with us to bring a little happiness to those children who might not otherwise have had much of a Christmas. Thanks again to all of you and we hope to see you again next year.

Now you should know about our next adventure (smile!) As I mentioned in the last newsletter, our Valentine's Day Party is coming up soon. This one is always a big success and everyone has a great time. Do you think it has anything to do with February being the month for LOVE?!? Or maybe it's that silly love bug that seems to go around biting people. Whatever it is, I approve! And I also have the date and place where this "Happy" Valentine's Party will be held. It's on February 9th at Brownsbro Tavern, on Brownsbro Hwy. right off Hwy 140 in Eagle Point. We'll have a good band, potluck, beverage, dining, and loads of fun! There'll be space to crash if you want, so bring your sleeping bag, just in case. There's also a fenced area available where your bike can be locked up and cared for until you need it. So get ready for a great night of music, dancing, friends and FUN!! For more info, call Kitty @826-7048. Hope to see you there!!

By the way, we still have lots of ABATE motorcycle license frames for sale at \$5.00 each. Also, printed bandanas, pins, buttons, and patches. Support ABATE. Contact Dennis @535-5001.

I guess that's all for now. Until next month, have a good one, and ride safe!

-Kitty

**** KLAMATH FALLS CHAPTER ****

Hello from K. Falls. We want to thank everyone for their concern about our recent accident and the death of our Chapter Treasurer. We are selling "In Memory of Jack" patches for \$5.00 each; the proceeds will be used to open a Jack Argetsinger Memorial Fund that will be used to help out families of local chapter members that die or are seriously injured.

We are working with other motorcycle groups in town to organize our efforts. We hope to accomplish more with our combined efforts.

We would like to send our Chapter Newsletter to all other chapters. We would appreciate each chapter sending their mailing address to ABATE of Klamath Falls, 2521 Link Street, Klamath Falls, Oregon 97601

RIDE SAFE! -Connie

**** LINCOLN COUNTY CHAPTER ****

Happy New Year! Due to the fact that Millie's in the hospital (she'll be fine - one of those elective things) I have the honor of this job.

We fed over 150 people at our Thanksgiving for Seniors. Looks like more next year. On December 1st we held a Toy Run in conjunction with the Free Souls M/C at the Sandbar Tavern in Newport. Lots of toys were collected and a keg donated by Pacific Distributors brought in cash donations.

Speed Rasmussen arranged for a series of speakers on the subject of drunk driving laws. At our meetings we have had Fred Bennett, a local attorney; Sgt. Mohr from the O.S.P., and Lincoln County D.A. Ulys Stapleton. Very interesting. My suggestion - don't drink and drive. They want to hang you by your toes! Drink with a friend who doesn't or take your sleeping bag along.

We've been selling Christmas Trees again this year; at 50 cents-per-foot everyone can afford one and it's a terrific fund raiser.

In February, we're planning on having a booth at Newport's Seafood & Wine Festival again. Come over and sample lots of wonderful food and sip some wine. (You might want to bring your sleeping bag, or that friend I mentioned above.) Many Oregon wines will be featured, along with some imports. That's February 22nd, 23rd, & 24th. See ya there!!

Since I'm our paraphernalia officer I'll also tell you that we're now selling hooded sweatshirts and long-sleeved tee-shirts (with pockets); these have our new chapter logo, and will keep you warm this winter. Interested? Join us at one of our meetings - 1st & 3rd Fridays at Moby Dick's at 7:30pm.

Our congratulations to Phil Rau & Cathy Milroy, married Dec. 29th. Yahoo!!!

Keep your buns to the fire!

-Laurie Rau

**** NORTHEAST PORTLAND CHAPTER ****

Here's hoping that the new year will bring about some good will and positive attitudes towards motorcycle riders. The East Portland Toy Run was a big success. We had over 150 motorcycles and we presented the children at the Shriner's Hospital with over \$3000 worth of toys and cash donations. I personally wish to thank everyone that helped make this year's run such a success - a very special thanks to Shiela, the S.E. Toy Run Coordinator, and JoAnn, our Toy Run coordinator. They both deserve a BIG thanks!! They worked very hard all year long to insure that the children would indeed have a merry Christmas! Special thanks also to our two Santas - Marv and Jim, and the elves that came along for the ride.

It won't be too long before Fossil is here, so we're starting to make plans for that. It's too early to tell exactly what we'll be doing, but I'll keep you informed.

That's about it for now. Hope everyone had happy holidays! Looking forward to the good riding weather again. -Leslie

**** RIVER CITY CHAPTER ****

Hi! I was a little late for the last chapter meeting, but I figured it was my turn; besides, during the winter we usually have a pretty small group, even by rural standards. Imagine my surprise to walk in on a huge gathering! There were all the people we usually see, most of the people we sometimes see, some of the people who had moved away forever, people I had never ever met before, one person I thought had died, and the best bartender in town. This was really amazing when you consider we had to move our meeting place (yes, again!) at the last minute. It sure made me feel late, as they were waiting for the secretary to show up so the meeting could begin. It was good to see everybody there. Thanks for letting us trash your house, Mark!

January's meeting is at Pietro's (formerly Spookies) in The Dalles. If it works out, it'll be our regular meeting place. Meetings are at 7:30pm the first Monday of each month. Hopefully, there'll be no more surprises. By the time you read this the Christmas Party will be just a memory for most of us, a blank space perhaps, for some. As this is written there's lots of enthusiasm so it's sure to be a good time.

June 8th, 1985 is the River City All Motorcycle Rodeo. Plan to be there! We are still working out the details but I guarantee whoever takes home the big trophy will have earned it. There will be a wide range of events, from a milage contest to the poodle punt and everything in-between. This is strictly "run-what-ya-brung", and not all the events will be announced in advance, so if you're thinking of putting up a special, keep that in mind.

River City is happy to welcome new members John and Karleen. It was good to meet you. Oh yeah - I won December's attendance drawing. Thanks for the beer Craig. adios! -Vernon

**** SALEM CHAPTER ****

Hello and welcome to 1985! We want to say thanks to everyone who helped support our first anniversary party. It was a great success! (5-kegger!) We're working on a few new ideas for 1985, such as a chapter banner or tee-shirts. Anyone out there with any ideas at all on wording or art work, please let us hear from you.

We also decided on the date for our first Annual Summer Run - August 24th & 25th. We're looking for lots of suggestions on how to put this together, so come and see us at Pietro's Pizza at the Market street exit off of I-5 south. 8pm sharp every 2nd & 4th Monday. See ya! -Barb

**** SOUTHEAST PORTLAND CHAPTER ****

-- NO REPORT THIS MONTH --

**** ST. JOHNS CHAPTER ****

Happy New Year to all! It's been a great December. The East Portland Toy Run turned out great! It sure was nice of Shriner's Hospital to let everyone up to watch Santa hand out gifts to the kids. Washington County's Toy Run was a little wet, but fun! Not quite as many people showed up, but still collected an impressive amount of toys for the kids in Washington County.

Our chapter took a vote on buying Ralph's Foosball table and donating it to the Oregon State Penitentiary Screaming Eagles for their use. This is the same Foosball table we have been unsuccessfully been selling raffle tickets for. Anyone who has bought a raffle ticket for the Foosball table and would like a refund, please submit your ticket to St. Johns Chapter. Until next month, ride safe and free! Martha Whiting

**** WASHINGTON COUNTY CHAPTER ****

Hey! We've got 12 new members! Our Toy Run on December 9th went smooth with 35 bikes rolling thru the wet streets of Hillsboro ending up at the Fire Station to donate a van full of toys. The Oasis Tavern hosted a party for us later, including a pool tournament with prizes. Barber's good PR work paid off; we got good publicity and no hassles from the authorities.

We are gearing up for the serious issues on the legislative scene that we face in January, and we hopefully anticipate increased support from all of our concerned members.

I'm your new Newsletter submitter from Washington County, transferred over from NE Portland because I live out here now; glad to be an active sister again after a year on the road. Road Toad, -Jan

**** WEST PORTLAND CHAPTER ****

Here it is - January, 1985. The Oregon State Legislature is again in session. The people who would like to put through a helmet bill are back and even more powerful than they were in 1983. Our year of respite is over. In 1983 there were a lot of ABATE members who worked very hard and made sure we were kept informed of legislative happenings. Like other chapters West Portland devoted a portion of almost every meeting to writing letters to the reps to let them know how we felt. We need to remember the things we've learned. Each one of us can make a difference. United we stand! I'm confident we'll retain our freedom of choice, but it won't be easy, and we need everyone's help!

I couldn't make it to the December State Board meeting so I'd like to express my thanks and appreciation to Louise Wills for her patience. It's not an easy task to devise and implement a universal bookkeeping system for the State Treasury. We wish her a continued and speedy recovery.

To all the West Portland members - we need each and every one of you. If you can't make it to a meeting call me @295-4699 or anyone in the chapter (if we don't call you first) and keep up on what's going on. YOU MAKE THE DIFFERENCE! -Laura Pratt

Well, this is the last Newsletter I'll be able to do. As most of you know, I've been typing for this thing since McNeil 1983 - I've been Editor since this time last year. My having to resign has nothing to do with wanting to quit doing the newsletter; I had fully intended to continue until the June elections. The reason I can no longer continue as Editor is the same reason I was forced to resign as S.E. Portland Chapter Secretary - it is my job. Since the beginning of November 1984, I have been putting in a great deal of overtime. I am STILL putting in a great deal of overtime, and I can see no end to it in the foreseeable future. I find that by the time I reach home as late as 7:45 in the evening, and go to bed at 10:00 so I can get enough sleep before 5:15 the following morning, I simply don't have the time to devote to this project as I did this time last year. And while I'll admit that the extra money is nice (what little is left after "Uncle" gets his cut), I don't work O.T. because of the money - I simply have to! As a result, the newsletter has been going out later and later during the past three months. My primary aim when I started working on this thing was to do something positive for this organization; that continues to be my aim, and I can't accomplish that by being late with this month after month - before long, I'd be so late I'd have to combine two issues (I'm damn near to that point right now!!) During a non-legislative year, that might be "okay". I can not in good conscience, allow that to happen during a legislative year. There are too many people in Salem that are waiting to take our freedoms away from us, and we must have information in a timely manner in order to react promptly to whatever threat appears on the horizon. Therefore, in the interest of everyone in ABATE of Oregon, I am resigning my office as Newsletter Editor, effective immediately. I am sorry that I do not have someone to recommend to you for a replacement. I wish my successor the best of luck, and I'll endeavor to help him or her to the best of my ability and available time. I want to thank all of you for your support, your encouragement, and your brotherhood. I feel like I've been a part of ABATE since the beginning, instead of a mere two years. Thru this newsletter, I have made a lot of friends, and that's something that will not change. RIDE SAFE AND FREE, and STAY ALIVE IN '85!!! -Gary

INFORMATION ON DRIVING UNDER THE INFLUENCE OF INTOXICANTS LAWS

(This information was from a talk Richard Cremer gave at one of Douglas County's meetings.)

The standard used to determine if a person is intoxicated has been lowered several times in the past years. If you blow in the breathalyzer, the current standard is .08%. If a person drank four beers within one hour and then blew in the breathalyzer immediately, it would register .08% or legally intoxicated.

Alcohol goes in to the body faster than other substances because it is absorbed through the lining of the stomach. By drinking one drink (1 ounce of alcohol) an hour, your alcohol level would be .02%.

Your body dissipates (or gets rid of) alcohol at the rate of .01% per hour.

EXAMPLE: 3 drinks with 1 oz. of alcohol
consumed within 1 hour would
equal an alcohol level of06%
Dissipation rate in 1 hour (.01%)
Alcohol level would be05%

If you have no convictions for DUII within the last 10 years, it is a good idea to blow in the breathalyzer. If you refuse to blow, regardless of your condition, you will get an automatic one year suspension of your license.

However, if you do not have any recent convictions and blow .08%, you are eligible for the diversion program. The diversion program requires that you go through alcohol counseling at your own expense but also lets you keep your drivers license.

A second conviction for DUII means jail time, probation and a three year suspension of you license.

Probable cause when stopped - The police have to tell you why they have stopped you. They can not detain you any longer than necessary for the reason you have been stopped. They have the legal right to ask you to get out of your car but YOU DO NOT HAVE TO GET OUT. Try not to breathe in their face if you have been drinking. Crack the window enough to give them your license and talk with them as little as possible.

If you are a passenger in a car you do not have to show your identification.

Field Sobriety test - You do not have to take the road side tests if asked. If you do not take them the cop will have to make his decision about arresting you based on his observations of your driving and your actions after he has stopped you. Even sober people can have difficulties with the road side tests so it is best to never take them if asked.

Searching your car - Your car can only be searched if the police have probable cause that there might be something contraband in the car. If they see you pushing something under the seat or smell pot they can ask to search your car. You do not have to consent but do not resist if the police insist. Simply refuse to give your consent. Lock your car after getting out if you are being arrested. They might want to impound your car. If possible ask them if you can call a friend to come get your car and move it.
