STATE BOARD REPORT

The March State Board meeting was held on the 8th, at Gatehouse Pizza in Springfield, Oregon. The meeting was called to order at 1pm by Deacon. Minutes were read by Kiddy with one (1) correction. We had 28 Voting reps.

Treasurers report was given by Louise. For more information ask your State Reps. We have Run Insurance for this year (1986). Thanks to Deacon, it was cheaper than expected. To make sure your Chapter's run is covered call Alexander & Alexander at 503-221-1500 or write to Suit 700, 851 S.W. 6th, Portland, Oregon 97204.

Newsletter Editor:

A motion was made and passed to increase ad's 33%, except for business card size, which will stay the same. 510 Newsletters were mailed out, down from 590 last month.

Membership Sec.:

Carolyn stated when signing up new members and using the new forms, that the white copy goes to the person who is signed up. We have 666 members at this time.

Legeslative Report:

Ed Fadely was at the March 86, State Board meeting. We had a very productive question and answering secession. You can find out more information from your State Reps.

Education Dir:

Teresa has resigned. Dave Ruby is to set down guidelines for Education Dir.

Fossil:

Barb stated that everything is ready. Hope to see everyone there.

Chapters on probation are, Douglas County, River City, N.E. Portland & St. Johns for Newsletter input.

The next State Board meeting will be at The Furniture Barn, this is one (1) mile north of Creswell on HWY 99. Meeting will start at 1pm, after this meeting we will go into convention and up-date and revise our Rules of Operation. This is a meeting that every Chapter should make sure that they have two (2) VOICES at.

For more info on the March State Board meeting read your State Coordinator's report.

A Message from YOUR State Coordinator

The March State Board meeting was also most productive. THANKS!

All fourteen Chapter's had a FULL VOTING VOICE at this meeting. 14X2=28 reps.

GOOD WORK EVERYONE!

CHAPTER ELECTION's

At the April 1984 State Board meeting a motion was made and passed. That all Chapter officers are to be elected in May so that the NEW State Reps elect the NEW State Board Officer's.

This Election Time is almost upon US, so anyone that hopes to be your Chapter Rep, for 1986 - 1987 should be coming to the State Board meetings, now. The reason is so he/she does not have to go into the NEW job (State Rep.) with no idea in HELL of what is expected of you or what is going on at the State level.

STATE BOARD ELECTION's (Editor's note; this info is different from last month)

The June State Board meeting will be held at Gatehouse Pizza in Springfield, 1pm.

Anyone that is interested in running for an Office at the State level, needs to be a Chapter rep. As your Chapter rep. you should be coming to all the State Board meetings, so you have a good idea what is expected from Board Officers.

At this point in time (3-17-86) there are only three (3) Officers who have expressed a desire (that I know of) to continue for another year, in there positions. My-self (DEACON), Carolyn & Barb. Come on guys, volunteer your time for a Board Officers position and you will never forget it!

PROBATION

It was to good to believe, Feb State Board meeting and no one on probation. Just last month (Feb) NO-ONE was on probation, But no it did not last. WHY?

Douglas County, N.E.Portland, River City & St.Johns, you guys dropped the ball. Shame on you.

LEGISLATIVE ISSUES

Ed Fadeley was at our March State Board meeting. WE ask him thirty (30) questions on Issues that are dear to our hearts, for more information on what was asked, see your Chapter reps.

On 3-9-86 The State of Washington passed a seat belt law for all cage drivers.

John B. of West Portland was at the Coming Together West of the Mississippi Seminar in Denver, on Feb 14th & 15th. He ask about a notional helmet bill, national PIP bill and seat belt laws. He stated that the people who were putting it on (ABATE of Colo, ABATE of Washington & Richard Lester) all stated that they also had no information on these Issues.

Maybe it is all rumor, hope so. But WE will keep on top of what is going on, at the Federal and State Level.

CONVENTION TIME

Our Rules of Operation will be revised and up-dated the weekend of April 12th and the 13th. The meeting location will be at The Furniture Barn, one (1) mile north of Creswell on HWY 99. This is just sixteen (16) miles south of our normal meeting place in Springfield. See map later in this Newsletter.

The last time OUR (your's & mine) Rules of Operation were up-dated was in April of 1983. So as you can see it is time for US to up-date and revise OUR Rules, a lot has happened in the last three (3) years. If anyone has ideas on changes that need to be done on our Rules of Operation, please send a copy of them to me (DEACON), THANKS!

IMPORTANT NOTICE (for members & Chapters)

Motion # 1 3-8-86 State Board meeting, Rusty of Emerald Valley moves "That WE raise membership due's to \$15.00 per-year to cover rising costs". This motion was NOT voted on.

This motion affects you the Chapters (and Members), so it must appear in this Your Newsletter for one (1) month and (the motion) go back to Chapters for more input. It is the responsibility of your Chapter Reps to do this, DID They ? This motion will be voted on at the 4-12-86 (April) State Board meeting in Creswell.

Motion # 9 11-10-85 State Board meeting was the last time membership dues went up, from 10 dollars to 12 dollars.

This price increase (if it passes) might make the job's of the Chapter Membership Secretary's a letter harder (I hope not) but it is something needed.

A Message from YOUR Newsletter Editor

For all you Business people that were going to take out an Ad, but procrastinated, it just cost you.

After researching Newsletter Ad Cost's, a motion was made and passed at the March 8th State Board meeting to raise the pricing on all but the Business Card size Ad by 33%. The new prices are located later in this Your Newsletter.

IMPORTANT NOTICE

At Election Time 86 WE (A.B.A.T.E. of Oregon Inc) will need the services of a new Newsletter Editor. The reason, by the time I (DEACON) complete the responsibility's of my position as Washington County Vice-Coordinator, Your State Coordinator, Your State Newsletter Editor and earning enough money to help keep the bill collector's away.

There is just not much time left for anything but A.B.A.T.E. This is also the reason Kiddy is not running for State Secretary again, she will (hopefully) be Washington County's State Rep for 1986 - 1987.

So, it is time for some new blood in the position of State Newsletter Editor. If anyone is interested the job, you need to get in touch with me. As Gary said if I (Gary) can do it anyone can, well he was right because I was able to do it. All someone needs for this job is a typewriter and around twenty (20) extra hrs a month to volunteer to A.B.A.T.E. of Oregon Inc. See me for more info.

A Message from Your Legislative Director

Greetings Newsletter,

Well the March State Board is over and lots of good info was there for the taking.

MotorCycle Safty Foundation

The object of writing letters to the M.S.F. is to make them aware that WE as concerned citizens, want them to know how WE fell about the "RUMOR" of a possible National Helmet Law. Chapter Reps should have a copy of the "DO's & Dont's of letter writing. Addresses and names to follow below.

A reminder about the petitions now being passed around. These are very important and very effective. If you need copies, please call, or drop me (Butch) a line.

Reference: Ed Fadeley

Mr. Fadeley was present at the State Board as promised and provided an informative discussion as well as a question & answer session. After the usual Polical RHETORIC, he did answer most questions, and had some good ideas such as insurance reform which WE are concerned about.

April State Board meeting

The April State Board meeting is very important as WE will be instructing New Reps on their duties & obligation to their Chapter as well as re-writing the Rules of Operation.

Let's make sure all Chapters are there to have say in what is going on.

Well that's it from the Capitol, so let's get out there and let your voice BE heard.

Not very much news for this month because of our meeting was cancelled last month due to the lack of officers present. However, WE are still making plans for our picnic run (will be held someday in this summer) and Fossil.

Our next meeting will be held at Pizza Baren on April 5th at 1:30pm.

Greeting from somewhere in Douglas Co. I guess the first thing to discuss is Casino Nite. It was the 14th of Feb. and it was a big success. Thanks to all who lent a hand. There was over 40 people and almost as many prizes. Noone left unhappy. Next is the Poker Run D.C. is doing in the near future. There will be a definite date in the next newsletter. Lastly I'd like to extend an invitation to anyone reading this newsletter to come and sit in on one of our meetings. They're on the first Sunday of every month at the Round Table Pizza in Roseburg and also to remind all of D.C. to check their expiration dates and come to the next meeting with a freind.

Klamath Falls

Our Valentines Gig was well attended and alot of fun was had. This gig was held at a Tavern & Cafe 20 miles out of town so we even got some of the older rural residents out for the music food and wet T-shirt. Made money on it too.

The next project is a Reno night at the Linkville April 12th. We're working on getting our Fossil act together, we'll be offering baked potatoes again. This time there will be chili for a topping if you want.

Marge has advance tickets for the K-Falls Chapter, but not enough for everybody. Some are gone already.

Our Chapter meeting attendance is increasing but we still need more. Our meetings aren't the long drawn out shouting matches you might remember. They are well organized & Marge just moves right along so the meetings are less than 1 HR and they start on time. 7pm Godfathers Pizza April 7th & 21st, May 5th.

We are now officially 3 years old. Our 3rd Anniversary Party was held on March 1st. It was nice to see so many of you from out of town. We do hope that you had a good time. We sure did.

The Newport Seafood and Wine Festival is also a thing of the past. For this year at least. A special thanks to DEACON & Kiddy for coming down to help. We were really excited about the festival this year because we got to introduce HARLEY COOLERS to Oregon. Bruce Brown from Scooter Juice, Inc. was here with Miss Harley Davidson. All was well received by the people at the festival. It is nice clean tasting cooler. Ask about it in your area and see if we can get more distributors for it in Oregon. They had some nice T-shirts depicting the Harley Coolers. If you would like more information on this contact us in Lincoln County.

We are now starting to work on Beaver Creek. Plan on coming to see us in July. This has always been a fun time. We even have good food to go with it. It looks like we will be having a wedding there this year. If this has peaked your curiosity come and see who is taking the big step.

If you are looking for someplace to go on May 2-3 and 4th come to Newport. That is the week-end for Loyalty Days here. We will be looking forward to seeing you then.

I'm now polishing my bike so it shines when the riding season finally hits the coast it will be ready. I've already checked all important levels in it. Since we didn't get to take any real trips last year, I am really looking forward to doing it this year. Maybe I'll see you on the road.

Thats all for now. God bless you (no one else will)!

River City

Hi-

If things go as planned we will be able to have our motorcycle Rodeo at Mt Hood Meadows with camping provided nearby. We have several new events in the works and the new location should prove cooler and kinder to the machines and the people. We will probably take up a collection for beer at the campground after the events are over just like we did last year. That makes our hosts happier and keeps the drunks off the course as well as keeping everyone's costs down.

We all had fun last time and with the improvements we've been working on, it should be even better this year. Plan on coming June 7th & 8th and stay tuned for further details.

The Chapter has some new Officers: Kim Vieira is taking over as treasurer Chris Vieira is our new Chapter Rep and Chuck Oleson is our new Sgt-at-Arms. A special thanks is due to Nick for getting our Reps to the last board meeting.

DEACON dropped by the last board meeting in The Dalles last month, which was a pleasant surprise - come on back anytime. Anyone else who'd like to come by is certainly welcome. River City Chapter is meeting 7:30pm the first Monday of the month at Lacy's Restaurant on 3rd St. in The Dalles, and at Pete's or my house on the third Monday of the month - Call Pete (386-2162) or my-self (386-5335) for directions. (Ed note- this is in HoodRiver)

That's all for now - be safe..Vernon

AID TO INJURED MOTORCYCLISTS

A. I. M.

- Finally, a program that can protect all of us!

Let's face it, traffic accidents are the number one problem we motorcyclists must deal with on the road.

Years of experience investigating and handling motorcycle accidents have shown that in many areas in the motorcyclist's rights are not being protected.

To better serve and protect our clients, and all motorcyclists, the Law Offices of Richard M. Lester has developed a new program:
AID TO INJURED MOTORCYCLISTS (A.I.M.).

A.I.M. IS 100% FREE TO ALL PARTICIPATING MOTORCYCLISTS

The Law Offices of Richard M. Lester is financing A.I.M. There is absolutely no charge to motorcyclists joining the program.

But the success of A.I.M. depends upon you -- the organized motorcyclist.
HOW DO I JOIN A.I.M.?

Just fill out and sign the A.I.M. application/agreement and mail it. These applications will be available at all meetings, swap meets, runs and A.I.M. offices.

You will receive a permanent plastic membership card to carry in your wallet showing you are a lifetime member of A.I.M. This card will instruct workers to call the A.I.M. office in case of an accident anywhere in the United States.

Your application -- which contains all the vital information needed by a doctor or hospital if you're in a serious accident -- will be kept on record at the A.I.M. office.

WHAT HAPPENS IF I'M IN AN ACCIDENT AND UNCONSCIOUS?

1) The card: The A.I.M. office is in the process of mailing out 30,000 plastic A.I.M. membership cards. These plastic cards, similar to credit cards, have the member's name, date and identification number. In case of an accident and if you are unconscious, emergency workers are instructed, by the member's signature on the back of the card, to call the A.I.M. toll free number (from anywhere in the United States).

A.I.M. will provide a 24 hour telephone operator that will immediately send a telegram - if that is all the information available - to your address advising your people that there has been an accident.

This is a free service, but the card must be carried at all times in a conspicuous place so that emergency personnel may find it and make this urgent phone call.

2) The Application: At recent meetings, runs and other motorcycle events the A.I.M. office and volunteers have passed out a postage free application that only needs to be filled out and mailed in for your critical information to be on record. These applications have also been included in the envelopes mailed to you containing your A.I.M. membership cards.

Once again, when the emergency worker calls the A.I.M. office after finding the membership cards, the 24 hour operator will go into action. The operator, since a phone number is included in your application, will now be able to phone rather than telegraph the person you designate in case of an emergency.

Further, emergency facilities will be given critical medical information that will save time and may just save your life.

This is also a completely free service but will not be available to you if you don't immediately mail in the application!

INVESTIGATION CAN BEGIN IMMEDIATELY.

Your call to the A.I.M. office within the first 24 hours following a traffic accident will provide you with an attorney, that is experienced in motorcycle accidents, who will immediately send out an investigator.

We can get a copy of the police report, and start tracking down witnesses.

Our experience has shown that early investigation can make all the difference in the outcome of a case.

HOW DOES A.I.M. HELP ME IF I'M NOT IN AN ACCIDENT?

CONSUMER PROTECTION - PRODUCT LIABILITY

All new or almost new motorcycle parts or equipment involved in a traffic accident -- and thought to be defective -- may be submitted to the A.I.M. office. They will then be sent to a laboratory for testing.

This initial evaluation will be paid for by the Law Offices of Richard M. Lester. If there is no subsequent recovery of damages from the manufacturer, there will be absolutely no charge to any A.I.M. member for this service.

In addition, information on faulty products will be printed in state and nationwide newsletters and other publications. That way, motorcyclists will have prior warning about potentially unsafe products...and those who have been injured will be made aware of their rights. Also we will scare the heck out of the manufacturers! For a change motorcyclists will have a voice and the manufacturer will know that we will no longer stand for defective and dangerous products.

ROAD HAZARDS

All of us who ride know the streets and highways can be dangerous -- even if all four-wheeled vehicles were removed from the road.

What we are talking about, of course, are the chuckholes, rain grooves and other road hazards which cause single-vehicle accidents for motorcyclists.

What can you do to get these road hazards repaired?

Well, in order for the government to be liable for an accident caused by such hazards, they must have notice and time to correct the dangerous condition.

Until now, motorcyclists who managed to get around that hole and avoid an accident have just grumbled to friends and fellow riders. But as we all know, that does not do any good at all as far as getting that hole fixed. It also does not help other riders.

What in effect the grumblers are saying is: I missed that hole, I don't care about brother or sister riders who may be two minutes, two days or two weeks behind me". A.I.M. IS GOING TO TRY TO CHANGE THAT SITUATION.

Stamped postcards will be available at motorcycle meetings that will notify the responsible public agency that if there is an accident caused by this hazard, they will be held responsible.

We will accomplish two things:

1. The streets, roads and highways will be repaired; and
2. If they are not repaired, the public agency can be held liable for injuries caused by the road hazard.

Once again, this program will only work if you, the organized motorcyclists participate.

Report the hazard at your meetings so the A.I.M. Volunteers will be able to find the responsible agency and mail in the postcards.

The results will be written up in newsletters and other publications so that all riders may see the progress -- and/or know of the danger. And those who have already been injured will know that they may have a possible lawsuit for damages.

A.I.M. VOLUNTEER

Any motorcyclist who cares about other riders can be a volunteer. Motorcyclists from any and all states will be asked to help out in their areas. A.I.M. material, for distribution to all motorcyclists, will be sent to all volunteers. Each volunteer will receive an identification card as well as information on how to help others to "Know Their Rights".

DUTIES OF A VOLUNTEER:

As most of you know, one of the main goals of the Law Offices of Richard M. Lester has been to inform motorcyclists of their rights and how to protect those rights. Now, through the A.I.M. program, this information will be carried by those who really care, A.I.M. Volunteers, to those in real need, the injured motorcyclist. Bikers Helping Bikers!!

1) A.I.M. volunteers will be alert to all motorcycle accidents in their local area (radio, newspaper, T.V., motorcycle shops, friends and motorcycle meetings). Upon hearing of someone going down, the volunteer will go to the injured person, present an I.D. card and explain that he or she is there to help in any way possible. The A.I.M. office will provide, at no charge, a booklet to give to the injured party explaining all the rights available to an accident victim. In addition, the volunteer will explain these rights, help fill out reports and other papers, offer to find transportation for the scooter to the repair shop, and the family to the hospital. Finally, the volunteer will help with any other needs the biker or his family may have. The volunteer will also enlist other motorcyclists to help. Not only is this the way it should be - biker helping biker, brother helping brother - but this also gives motorcyclists contact with all motorcyclists in their community no matter what they ride - and a new image to show the general public.

****NOTICE****

It is not the intention of A.I.M. - nor do the Law Offices of Richard M. Lester encourage - the active solicitation of an injured person to engage legal services of the Law Offices of Richard M. Lester. We do encourage knowledge. The goal of A.I.M. is to inform all motorcyclists of their legal rights and how to protect these rights. Direct solicitation of any injured person to any one particular law firm is prohibited by the Attorney's Bar. If you are asked personally to recommend an attorney to handle the case, or for the name of an attorney to give the injured person free legal advice, you may recommend attorneys - but only after explaining that the choice of an attorney is an important decision which one should carefully consider.

2) Volunteers will be given time at motorcycle meetings. They will distribute the A.I.M. registration/agreement and encourage all motorcyclists to immediately mail it in for this free protection. They will ask motorcyclists about any motorcyclists which have gone down and tell the meeting about the injured biker A.I.M. is helping and about any other help needed. Road hazard information will be requested and notices collected; the volunteer will also make certain notices are mailed to the proper agency.

3) Volunteers will be asked to distribute A.I.M. material to local motorcycle events and runs in their area.

4) Finally, a monthly report will be mailed to the A.I.M. office. Without the volunteer the A.I.M. program cannot succeed! The A.I.M. office can only provide the tools. You must provide the heart and hands. Together, the motorcyclists will be protected.

A.I.M. WILL EDUCATE THE PUBLIC.

Attorneys working with the Law Offices of Richard M. Lester will talk to groups about how to prevent motorcycle accidents and dispelling the biker myth.

A.I.M. WILL EDUCATE MOTORCYCLISTS

The Law Offices of Richard M. Lester will continue the "Know Your Rights" program and Legal Information Newsletter.

Well, that's a brief outline of what A.I.M. is all about.

If you have any questions or suggestions, write us or talk to your A.I.M. Volunteer.

Remember, this is your program, and it can only succeed if we all work together as well as ride together. Join now and participate!

Dedicated to Freedom of the Road.

*** A.B.A.T.E. - A BROTHERHOOD AGAINST TOTALITARIAN ENACTMENTS ***

ABATE is motorcycle enthusiasts from all walks of life that have come together to work for sensible legislation, to voice the need for safe freedom of our public roads, and to foster and promote motorcycle awareness to the general public. We want everyone to know that we are doing all we can to make motorcycling safer for all.

ABATE is a legislative action organization and has been instrumental in effecting fair laws concerning motorcycles. ABATE worked to repeal the helmet law in 1977 and defeated a repressive insurance bill in 1983.

ABATE conducts motorcycle safety classes throughout the state in an effort to educate motorcyclists and thereby reduce the number of accidents involving motorcycles. If just one life is saved by this program, ABATE should be considered more than worthwhile.

ABATE members are active in their communities, giving toys to children's hospitals at Christmas, feeding senior citizens at Thanksgiving, and donating blood to the Red Cross.

ABATE of Oregon, Inc. is a statewide organization with local chapters. Each chapter conducts business according to its own needs, under guidelines established by the state board. The board is made up of two representatives from each chapter, the officers of the board are elected from these representatives. The state board meets monthly and the meetings are open to the general membership.

ABATE sponsors runs throughout the state to raise funds for operating expenses and charitable organizations. These runs provide people a chance to get together, have a good time and share experiences and ideas for the betterment of motorcyclists statewide.

BE A PART OF MAKING AND KEEPING MOTORCYCLING FREEDOM ALIVE!

For more information, attend a local chapter meeting.
