A message from YOUR State Coordinator

Bend your Chapter had NO VOICE at the July State Board meeting, Chapter for the Deaf your reps arrived late (yes I believe better late, than never).

PROBATION:

This month there are five (5) Chapters in non-compliance with eight (8) parts of OUR Rules of Operation (Article 5, #4). Bend, Salem and Washington County, for lack of copies of Chapter minutes, to the State Coordinator (ME). Bend NO Newsletter input, Bend, Douglas County, Salem and S.E. Portland, NO quarterly reports. WHY ?

It is unbelievable, that some Chapters don't give a DAMN about OUR (A.B.A.T.E. of Oregon Inc.) Rules of Operation. If it is so hard to comply with three (3) simple rules (Article 5, #4), maybe they should turn in their Charters.

Now, if this doesn't make some Chapters get off their asses, and comply with OUR (yours & mine) Rules of Operation, nothing will.

Without enforcement and compliance with OUR RULES, ABATE will never grow stronger or larger.

A message from your Newsletter Editor

Greeting from your Newsletter Editor. Well the dust is really flying around here lately. It doesn't have a chance to settle with putting the newsletter together & being the Recording Secretary. Things are running pretty smooth after you get the hang of it. I have not received any new ads yet. We have plenty of space for any advertisements. We also have space for any classified ads, you're free to all members. Until next month. Ride Defensively-Ride Free-Mike Rosu

Recently we have elected new officers. Some with new positions and others with their previous office. Congratulations to all and best of luck. They are as follow: Coordinator; Gordon Krohn, Treasurer; Joy Hoover, Secretary; Losha Mann, State Reps.; Roy Sommerfield & Judy Kriek, Alternate Rep.; Marla Chauffe, Sgt.-at-Arms; Bob Sommerfield & Vernon Mann, Historian; Shelia Krohn, Newswriter; Marla Chauffe.

Also we would like to congratulate Ed Halkyard & Debbie Van Slyke in getting married on June 10th. May your future be rewarding & successful to you both. CONGRATULATIONS AGAIN...

To those of you who are not aware in the change of location in our meeting place we will be gathering at the rest area EXIT #112 also known as Winston-Dillard cut off. This will be held on Aug. 3rd. WE can meet in good weather & enjoy the breeze also. We are interested in seeing some of our other members come around & participate in our gatherings. New members are welcome always.

There were a few who attended Fossil and Redwood runs both, we had a lot of fun you guys, with the exception of those getting tickets. Right guys? You know who you are.....

At our last meeting Doug Miller won the money out of the hat drawing. Lucky he was there when his name was drawn.

We are sorry to find that Milo has recieved a pelvic-hip injury from an accident which occurred during the week ending the month of June. To my understanding he was in surgery for about 4½ hours. From Douglas County, from those near and far- Milo, we wish you well with a speedy recovery. GET WELL SOON! Reports of Douglas County's Windy Creek Run will be in the August issue. Until then this raps it up... Marla.

By the time this in the newsletter our run at Kimball Park will be over. Thanks to everyone who helped make our run a success.

Our E.R.C. program is scheduled for the end of August. Contact Marge at 882-7070.

We'd like to thank Marge for the great job that she did last year as our Coordinator.

Congratulations to members of our Chapter on their recent marriage. Jon & Karen Alter & Mike & Tammy Sullivan.

We have a new pin for you all. It is an A.B.A.T.E. straight wing design without the eagle head and chest. It is the 13 star shield design in silver. \$3.00 ea. postage paid to you.

I had a black & silver A.B.A.T.E. hat at the July State meeting. They look black and gray to me. They have the uplifted, full eagle, A.B.A.T.E. Freedom of the Road Logo on them. They are \$5.00 ea. from me directly or maybe your State Reps. \$6.00 if I have to mail it to you. Mailing is a real bitch! I also have A.B.A.T.E. Beer Mugs \$5.00 directly or maybe. \$6.75 if you want it mailed to you. All of the other items I offer are postage paid to you. Including the belt buckles.

See you when I see you - Preston.

Lincoln County

When this appears in print, another Beaver Creek Run will be history. We hope everyone who attended had a very good time. Our chapter made a run in June to Cottage Grove for the Steam Engine ride and camping at Doreena. The weather cooperated and we all had a good ride. We will be having a B.B.P. (I can't remember the new name is) class in Newport on September 6th for anyone in our area. If you are interested in signing up, please let us know. Even if you've taken it before, I understand they have a new course this year.

More next month - Vicki.

N.E. Portland

Hello once more from N.E. Portland. Just got back from our anniversary run down at Paughco's place and had a really great time. The weather could have been a little better, but what the hell. A great big thanks to Paughco for letting us use his place. Getting ready now for our Summer Run August 16th & 17th on Mt. Hood. Hope to see alot of you folks

up there. Our chapter did real good in the MDA drive. Congratulations to Choke and Anna for being the top fund raisers in the state. Choke came in first with \$1,308.00 and Anna came in third with \$878.00. All together our chapter raised \$4,023.00 for the MDA! All we need now is to put that kind of energy to work in doing things for the chapter and state. I know the will is out there, all we have to do is find a way to bring it out. We are sorry to be losing one of our best members and his ol' lady, Tom Thumb and Carol are going to be leaving us in Sept. to move to Mexico. They are going to be married in Sept. and then from here go to Mexico. Tom has been one of our best members with his contributions every year for plaques for Fossil and our Summer Run. He was given a life membership from our chapter and also a plaque of appreciation from the state at the last state board meeting. They will be missed a great deal and we wish them all the best. Well thats about it for now so until next month, Ride free - Leslie.

TO THE EDITOR:

If my memory serves me correctly, I have not written a letter to the newsletter in some time. I have recieved praise and criticism for my efforts as chapter coordinator. Thank you for the praise and for the criticism.

I am sorry to say that we are a chapter of officers who are serving because they feel that they have to instead of that they want to. It is a crying shame people have to be embarrassed into volunteering for things. I envision some day asking for help for a project and having to make someone unhappy because there were too many people to do the job. FAT CHANCE!

A special thanks to my officers that served with me, for your support and helping me thur my ozone period. Special thanks also to Mother, (Carolyn), for supplementing my memory, (BAD), with hers, (GOOD).

N.E. Portland
(continued)

By the time you read this, I will no longer be an officer, and I will have informed my chapter that I will not run for ANY office in the near future. After five years of holding down one job or another, it's time for letting the breif-case gather some dust. I will continue to support A.B.A.T.E., but in a more subdued manner. SPECIAL NOTE TO THE MEMBERS OF N.E. PORTLAND CHAPTER: Get off your butts and help out. Your new officers can't do it all by themselves. If every member volunteered for one project, the job would go easily and everything would get done. RIDE FREE (ONLY YOU CAN MAKE IT HAPPEN) - Gary (Trash) Vinson - Former Coordinator N.E. Portland.

River City

Another fine riding month gone by. The chapter participated in the Hood River Fourth of July Parade, and we had a great time. We were the only Street motorcycle group represented.

The Rodeo video was reviewed by the chapter at our July 6th meeting and we would like to edit the tape into a short feature to show at a board meeting. We hope to increase participation for next year.

Our new officers for 1986-87 are: Pete Doroch-Coordinator, Kim Vieira-Secretary and State Rep., Chris Vieira-State Rep., Nick Linebarger-Treasurer, Brian Stovall-Sgt.-at-Arms. Welcome aboard to all the new officers and especially to Pete for accepting a second term as Coordinator. Until next time, ride safe and see you at McNeil - Kim Vieira.

Salem

Hey folks, if this newsletter comes out on time, you've only got a couple more days to get ready for Fox Creek! Everything is coming together and its going to be a blast. Looks like we've got a band lined up, and there'll be plenty of food and grog.

The run will be held at the same site as last year for those who were there. Sorry we didn't have a map in the last newsletter, but its pretty easy to find. Just ride your putt to Detroit, and when you get there turn north where the signs point to Brientenbush Hot Springs. Follow the road for about 6 miles and you'll be there. We will have signs up in Detroit and the camp is close to the road. If you're coming from Portland, take the route through Estacada to Detroit. Its a dynamite ride and we'll be at the end of it.

Other chapter news includes a visit to our last meeting by Stan Porter. He's the head of the E.R.C. and B.R.C. program for the state. We had a question and answer session with him and had a good all around rap about the program. I took the course a couple of weeks ago. It was definitely an experience with the old Pan and the suicide clutch. It was an interesting course and I'd recommend it to anyone experienced or not.

Well, that's about it. Hope to see ya'all at Fox Creek because we're goin to have some fun!!!! Ride safe and free!Bill-Judy.

Nothing is new in our chapter because there is nobody new in our chapter. We need new members with new ideas cuz the few diehard members of our chapter have come down with the dreaded disease called APATHY.

As I write this--it's raining outside and that has not helped one little bit. We are looking for many sunny days in August and September.

Until next month--Ride Free--Patty.

HEALTH DIVISION

1400 S.W. 5th AVENUE, PORTLAND, OREGON 97201 PHONE 229-5792

July 11, 1986

HEPATITIS ALERT

The State Health Division has been notified by the Portland metropolitan area counties (Multnomah, Washington, Clackamas) that several cases of hepatitis type A have been reported to their health departments in members of the ABATE motorcycle lobby group. All of the current cases attended a rally over the Memorial Day weekend at Shelton Wayside near Fossil, Oregon. We are unable to pinpoint a particular food item common to all cases, and the water system has been tested by the EPA and tests clean. Because all of the cases did attend this rally, we would like all members, but especially those who attended the rally, to be aware that they may have been exposed to hepatitis A. If a person develops symptoms of hepatitis they should seek advice and medical attention at their private physicians or the county health department.

Symptoms of hepatitis may include fever, chills, loss of appetite, nausea, vomiting, excessive fatigue, pain in the right upper abdomen, dark urine, light colored stools, and yellowing of the skin or eyes (jaundice). Mild hepatitis may not include all these but may be described as "flu-like" illness. Some persons, especially children, have no symptoms at all. A person may develop hepatitis anywhere from 2 to 6 weeks after exposure.

Because hepatitis A is spread by feces of one person being ingested by another, extremely good personal hygiene is very important. Wash your hands very well after using the bathroom, before eating or preparing food, after diaper changing, or before handling anything which another person will put in their mouth.

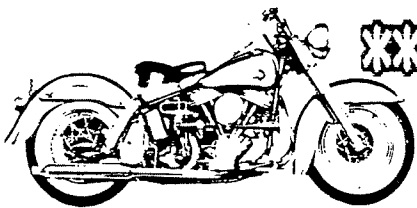

Please notify your county health department if you do develop symptoms.
