A message from YOUR State Coordinator

Salem and West Portland Chapter's only had one (1) VOICE at the August State Board meeting, River City your reps arrived late(Hell YES, I believe better late than never).

PROBATION:

This month there are seven (7) Chapters in non-compliance with seven (7) parts of OUR Rules of Operation (Article 5...# 4), Chapter for the Deaf, Emerald Valley, Jackson County and Washington County -- NO Newsletter input. Jackson County, River City S.E.Portland for lack of copies of Chapter minutes, to State Coordinator (ME).

Mt. Hood Chapter is on 90 days probationary period from date of issuance (8-9-86) of it's Charter (Article 5...# 1, e) of OUR Rules of Operation.

Because of non-compliance with OUR Rules of Operation (Article 5...# 4), there is NO longer a Bend Chapter of A.B.A.T.E. of Oregon Inc.

The Bend Chapter has allowed the State Board to USE three (3) of it's members on the State level. Pat Cunningham as State Vice-Coordinator 1984 - 1985 and State Sgt-at-Arms # 2 1985 - 1986, Doug Porter for a little while as State Historian and Louise Wills as State Treasurer 1984 - 1985 & 1985 - 1986 and State Book-keeper for 1986 - 1987.

THANK's, Bend Chapter, Ride Free...DEACON

A LETTER FROM YOUR STATE HISTORIAN

After several failed attempts to coerce me into getting involved in A.B.A.T.E. by various members, they finally resorted to questionable tactics. While trying to decide if this Bendix would work better on a bike or a stack of papers at a swapmeet, Carolyn, just then, strolls by and casually says "how'bout State Historian?" Now I'm concentrating and do not want to be distracted so without turning around, absentmindedly, out of the side of my mouth I say "yea sure, don't bug me-YOU WANT HOW MUCH FOR THIS?"

So much for paying attention, now you all got a new State Historian. Similarly I found myself at Luke Metcalf's house signing on with A.B.A.T.E. back in '75. After attending ALL the helmet protests and the first Camp Westwind came that swapmeet at the Coliseum. Seeing the gunfight at the OK Corral go down ten feet in front of ya is not too cool. So, I decided, if this is A.B.A.T.E. I don't need it!

Well that wasn't A.B.A.T.E. and I DO need them! Now down to business. That ten year absence has left a big gap about what A.B.A.T.E.'s been doing. I got the published history and the chapter updates Carolyn provided, but being the greedy type, I'd like more. So, round up any old run flyers, photos, news/mag.articles, humorous, recollections scribbled on napkins, anything you feel may be historically interesting, brag a little, and send them to A.B.A.T.E., S.E. Portland, P.O. Box 06027, Portland, Or. 97206, Att; State Historian. Not all of it will be used or published but it will be filed and available to anyone.

Almost forgot-need histories from these chapters; Chapter for the Deaf, Lincoln County, River City and S.E. Portland (sh-t, thats me!). Some address as above. Suggestion? Send them too (smartaleck ones will be laughed at and tossed).

Ride On, Mike Stegmann.

WHO'S JOB IS IT?

This is a story about 4 people named Everybody, Somebody, Anybody and Nobody.

There was an important job to be done and Everybody was asked to do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought that Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody, when Nobody did what Anybody could have done.

Douglas County

Hello from Douglas County. We have elected new officers, and I'm one of them, I hope I do okay. By the time you read this Windy Creek will be done and over with. It turned out really well, not that many people but we all had alot of fun.

Also one of our bros., Milo Anderson, had a run in with a cow. Well he is doing fine and should be coming home within the next day or two. Get well soon Milo, from friends in Douglas Co.

Hopefully we can get alot of our members to start coming to the meetings. If you want things to change come to the meetings and do something about it. Don't just sit at home and complain about it! The next meeting will be August 3rd at the rest stop south of Roseburg off I-5 exit 112. Until next month Losh

Emerald Valley

Emerald Valley is busy getting Ready for our Summer Run, Aug. 23 and 24. By the time you read this it will all be past, so if you were there we hope you had a good time.

Well the hot weather is finally here. 102° yesterday (Aug. 7th) and close to that today. I'm sitting here having a yard sale, trying to

raise some money for the chapters new generator. Wish I could find some shade!

Welcome to our new members. Hope to see you at the meetings. We need all of our members to come to the meetings! We need your support to keep this Organization going!

Well not to much to add. It's too hot to sit here and write, so I'm going to get a cool one. Until next month - Larry.

Jackson County

HELLO FROM JACKSON COUNTY! Sorry we missed the last newsletter, you have my solemm pledge to do better in the months to come.

The Jackson County Run at Huckleberry Camp was a huge success. Our sincere thanks to everyone in the state who helped make this one of the best runs ever.

CONGRATULATIONS to Chris & Rick Ryder, who joined their lives in marriage at the run. Chris has just bought a new business, the "BEST OF LUCK" from all of us.

Although it may seem a little early, our Senior Citizens feed and our annual Christmas Toy Run, will soon be upon us. If you're looking for a nice days ride, motor on down to Jackson County, we'd love to see ya. Our chapter is growing, so watch out "#1" we're closing in on you. Watch out for those little ones going back to school this month.

Corky.

Klamath Falls

Greetings Klamath Falls members. Here is some news about our chapter. If you recieved this newsletter in the mail that means you are still a member, along with 20 other people. Four of our members don't live in Klamath Falls anymore. Two don't have a current address. Where are you Traci Lawvor & Pat Pierce? Three members are going to expire the first of September, Jon A., Lauren B.,

Klamath Falls
(continued)

Traci L. Two are going to expire the first of October, Sue and Rex from Kansas. Several have never attended a chapter meeting.

In an attempt to get our chapter meetings productive again. We are temporary changing our meeting to Wiard Park at 1 pm. on Sept. 7 & Sept. 21. Hope to see you all there.

The K.Falls Paraphernalia Program has A.B.A.T.E. Mugs and A.B.A.T.E. Belt Buckles in stock again. Also an A.B.A.T.E. Belts for you to check out.
Preston.

NO MEETING HELD. The Coordinator (Me) was the "only" participant, I can't fully express in writing the disgust for the dead-assed attitude "our" chapter has shown in the past year. This is like the frosting on the cake, for piss-offs, for as you all probably know by now we cancelled "OUR" Run, because of a lack of participation. "Oh sure," everyone wants to go on the runs and party, but nobody wants to volunteer, afraid of being stuck with a chore. I'll tell ya the only ones stuck with a chore are the active officers and myself, the chore being, just short of using a cattle-prod, to generate enthusiasm in A.B.A.T.E. and it's functions and fear for their freedom from up and coming Legislation. I can't express enough the importance of this organization, if A.B.A.T.E. disbands due to lack of interest, tell me, who is going to cover for your "dead ass," when they come for your bike!! If you've got a rebuttal contact me. Your Coordinator. Mike
Cutler 2521 Link St. 882-0479.

Lincoln County

Our Chapter is almost rested up after another Beaver Creek. For those of you that attended, we hope you had a good time and for those of you who didn't plan on attending next year. Howard is already asking for more money next year for a bigger fireworks display. Gary and I did get married on the Friday

night before Beaver Creek and a wonderful group of people to celebrate with. We are now planning our Poker Run. It will probably be either the last weekend in September or the first weekend in October. The ERC class will be September 5th and 6th in Newport. The classroom portion will be done on Friday night. Looks like we will have a good group going to Emerald Valley Run. Hope to see everyone there.
Vicki.

Mt. Hood

ent locations for the run next year so I'll keep you informed. It's time now to get down to some serious business for the Toy Run. We've talked our Honorable Mayor Clark into being our MC this year so we should get some great media coverage. We are in the planning stages for our benefit parties and as soon as they're positive I'll let you know. We plan on having a lot of them this year so the kids at the hospital will have a really GREAT Christmas. We've added a few new officers to our board and they are Historian - Leslie, Paraphernalia Officer - Anna. Congratulations to Choke and Anna for being invited to attend the Muscular Dystrophy Telethon here in Portland. They were among the top five fundraisers in the state for the MDA run and all of the top five will get to present the check from A.B.A.T.E. of Oregon to Jerry Lewis. Congratulations to all of you! We will be taping the show so hopefully they won't wait until the last hour to put them on cause we don't have that many blank tapes. Well thats about it for this month, so take it easy and enjoy the rest of the summer. (Hopefully it will be an Indian Summer.) - Leslie.

River City

Hello from River City. Things have slowed down a bit for us. The ERC course was held on July 27 at the Dalles Jr. High School. There were 9 participants. A big thanks goes to Carol who treated several of us to the Stevie Ray Vaughan concert. There will be a membership party at Pete and Kerry's on August 24th. Brian has resigned his post as Sgt.-at-Arms. Chris has been elected to take his place. McNeil will be over by the time this newsletter comes out. I know a great time was had by all. Until next time. - Ride Safe - Kim.

Salem

Greeting from Salem. Our Fox Creek Run is now history for 1986. I would like to thank everybody who attended.

I would also like to thank everybody who assisted with everything that was done, without your help it would have been real crazy. The weather couldn't have been better and I don't think the creek could have been colder. We had around 100 people, lots of pretty bikes and good food.

We finally have a Secretary! His name is Dean Matt - Good Luck with your duties.

Our chapter would also like to say congratulations to the new Mt. Hood Chapter. We wish you tons of luck. Ride Safe & enjoy the rest of our beautiful summer - Vicki.

S.E. Portland

Hi Everyone, Now that Summer's gone and Fall's here it's time to start thinking KIDS! Yes, it's Toy Run time again. Please start looking into donations. December 6th will be here before you're ready. Let's make this one the best so far. Ride Safe
Carla.

St. Johns welcomes our newest chapter Mt. Hood. They're having a dart throw at Silver Falls. Its good to see them rolling right into the swing of things. See you at State Board & hope to see you at Silver Falls.

Washington County

Lot's of activity has been going on and now we have a little breathing room. Our "Independence Day Run" is history and

no thanks to Mother Nature, (rain and cold) it was a good time for all the hardy souls that attended. The games were a blast as usual and the refreshments were plentiful. A special thank you to all those who worked so hard to bring it off.

Were already starting to plan our "Toy Run" to be held after Thanksgiving, with luck (GOOD WEATHER) and a lot of hard work it'll be bigger and better than last years. Start saving your toys folks the kids need'em. This is my introductory letter as the new secretary. The letters will get better as I wear into the job. Ride Free - Ride Safe - Scotty.

Well gang, Sturgis 86 is now just a fond memory but what a memory. At 8:00 A.M. sharp the Sturgis gang other wise known as that bunch from Oregon left the Troutdale truck stop bound for the land of Sturgis. They were Doc. Dave, Andy, Carl, Tim and myself. (Lance and Eddy got itchy feet and left the night before and went a different route.) The sun was out and getting hotter by the minute, a nice change from last year. Not too much happened on the first leg of the journey which was in Lewiston, Id. where we spent the night and the next day moved on into Montana, which is known as the richest hill in america because of all the minerals in the area which includes an open pit copper mine more than a mile across and 1500 ft. deep. If I had to move out of Oregon, I would move to Butte, Mont. The bros there really know how to party and more importantly they were willing to help someone in need of parts like myself. Yes me, I didn't watch my chain oiler close enough and you guessed it. One ~~chewed~~ up wheel sprocket and chain and all on a Sunday afternoon. Those people tried there best to locate a sprocket for me but couldn't so we decided to just go ahead and party, and party we did. At least, the next moring my head told me I had a good time. (If your ever in Butte, stop in at Frans Bar on Harrison St.) And with that we pushed on and this was by far the most interesting day yet to come. It seems a little bird couldn't bear the thought of passing by without greeting us or should I say greeting Dr. Dave. This little bird was so excited about seeing us that he completely flew between Tim and his handle bars and landed in Dr. Daves "lap" at 60 M.P.H. The poor little guy broke his neck, but the funny part was watching Tim laughing so hard he could hardly bring his scooter to a stop. Dr. Dave? Well he wasn't laughing at all, he was busy checking to see if anything else was broken besides the birds neck.

The rest of the trip was pretty much routine until we arrived in Sturgis on Tuesday. We then found out that the rally had unofficially started the previous Wednesday with scooter bums and venders alike gathering early. By Tuesday it was estimated that there were already 50,000 bikers on hand for the party and by weeks end it was estimated that there were somewhere between 56,000 and 72,000 at the rally. (Depending on who's count you listen to) The largest ever in its 46 year history. Almost the entire length of main street was used for scooters and one block in each direction off of main street at each intersection for parking.

By the end of the week, we had to take Monday off just to rest up and have one last party in our honor hosted by Mike and Belva who by the way had gone to a lot of trouble clearing camping space on their ranch for the bunch from Oregon. Mike also had a bunch of bandanas made in red and white for us that said "Sturgis 86". It was a really great camping spot except for the wolf who developed a taste for the ol' ladies brownies I had taken along. Have you ever seen a wolf crazed by my wife's cooking--it ain't a healthy thing to be around.

Then it came time to say good-bye to our host and hostess, a time of sadness to be sure. We met up with a lot of old friends that we are looking forward to seeing next year, such as Barty from Chicago, Dave (gramps) and Marge from Minnespolis just to name a few. Never in all my years of riding the open road have I had so much fun and so many laughs with so many fine people. I am already looking forward to next year, so until then keep wrenching and save those nickles and maybe we will see a few more in that bunch from Oregon.

St. Helens Rick

Motorcyclist dies

ASTORIA — A 21-year-old Astoria motorcyclist died early Monday, one day after driving into the rear of a parked pickup, Astoria police reported.

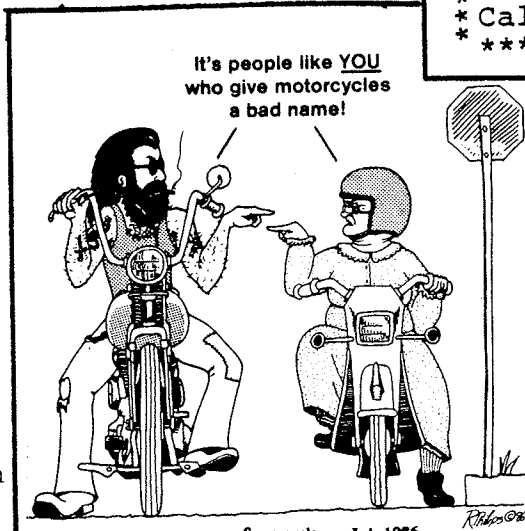

Larry Langdon died at 4 a.m. Monday in Portland's Emanuel Hospital & Health Center from head injuries, a spokesman for the Oregon state medical examiner's office said.

Langdon apparently was riding his cycle at a low rate of speed when he ran into the parked pickup/camper rig, said Astoria Police Commander Glenn Larson. It wasn't known when the accident took place, Larson said. Langdon was found in the street by a neighbor at 2:12 a.m.

The accident occurred about three blocks from Langdon's home, Larson said.

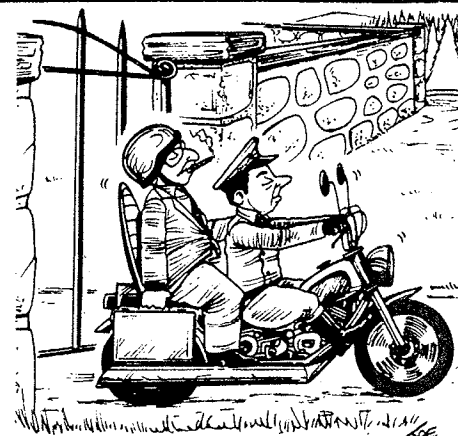

Langdon was taken to Columbia Memorial Hospital in Astoria and later airlifted to the Portland hospital, where he died.

Langdon was not wearing a helmet, Larson said.
