COORDINATOR'S CORNER

"WHEN MEN ARE RULED BY FEAR, THEY STRIVE TO PREVENT THE VERY CHANGES THAT WILL ABATE IT."

- ALAN PATON

I want to thank all the people who helped make Fossil a success. I will have a detailed report at the June Board meeting.

All you motorcycle enthusiasts better pay strict attention to your freedom of choice. First came helmets, then seat belts, and no smoking. Next is gun control and then the NEXT thing may be outlawing y our motorcycle completely. Do you want that to happen? DO SOMETHING ABOUT IT, or it just MIGHT happen.

Keep writing letters. Don't give up. Make it happen. Let the Government know how you feel. If everyone works together, it WILL make a difference. If you don't make an effort, then you will lose your freedoms.

Now, on to the Legislative Report....

On May 16, 1989, 7:30 p.m., the drafted bill that U.S. Senator Chafee (R-RI) put through which would require every state to have both seatbelt and helmet laws, became Senate Bill 1007. This bill will affect every citizen of the United States!! We must unite to stop this "blackmail" tactic by the U.S. Government!!

All states have three years to comply or lose 5% of their highway funds the first year, and 10% each year thereafter.

We MUST write our Senators and Representatives at Washington D.C. NOW!!! Ask them to stop this bill in its tracks. We need to express our views on this invasion of our rights, our freedoms. Do we want to wear seatbelts and helmets forever, wherever we ride? When does it stop? It stops when we stand up for our rights. You may address your letters to the following addresses:

In closing, please write those letters. We need to work together, we can work together, and we WILL make it work. See you around the corner next month....Rotten Roger

NEWSLETTER EDITOR'S ALLEY

Well, here are me and Tommy Typewriter once again, pecking away at the keys and making lots of mistakes. The faithful crew, Dingo Darling and Syd Sweeties surround the chair, playing with the wadded up papers, have their large supply of bones, and are now fighting over a piece of bread. Dingo Darling has had two pieces, Syd Sweeties is trying to have one, with Dingo Darling making teeth marks on my ankles as he attempts to grab the last crust of bread...Sorry the Newsletter is late this month, but that is the way it goes some times. I had to wait on people, as usual. The Chapter Reports are very low this month. I promised K Falls and Salem that I would include last month's report with this month's report, so we have two from them, one from Clatsop, one from NE, one from SE, and one from Lincoln County.

This means out of 16 chapters, we heard from only 6. What happened to the other 10 of you? One of you is 3 months behind, and the rest of you are now 2 months behind. I realize that you probably were all planning Fossil, but we know you had to take time out for a meeting and send in your minutes, try sending your newsletter report in at the same time (minutes to Roger, newsletter report to Vicky). So what's the excuse. Better try next month. You don't want to be 2 and 3 months behind you know....

eirug9r7043l4;je....Woops, sorry. Dingo Darling just scared me out of a year's growth. There's some cop show on the boob toob, and of course sirens go along with the coppers and robbers, so my trusty crew has to sit on the couch, howling right along with the siren. What a duo!!

Well, not much to say. I'm still in training for my Claims Analyst job. By this time next month, I'll either be pounding out those claims, or pounding the pavement looking for a job. See ya on the keyboards....Me and my Trusty Crew, and ol Faithful Tommy Typewriter with his fflouosljfkejrek (transcribed, that means lousy spell check).

The following was taken from NCOM's latest Press Release:(I condensed it somewhat)

"The following is an excerpt from an interview on the Vermont Public Radio program "Switchboard". U. S. Senator James Jeffords (R-VT) is on the Environment and Public Works Committee. Because of this, he was invited to voice his opinion on Senate Bill 1007 regarding the "reduction in apportionment of Federal-aid highway funds to certain states and for other purposes.

QUESTION: Senator Chafee is going to introduce legislation that would withhold federal highway money from states that do not pass seat belt and motorcycle helmet laws. Would you support that? It will be going to your Committee.

JEFFORDS: No, not any more than I supported the one that said we had to change our drinking law. I think, first of all, that that is a matter for the states. We shouldn't interfere in those jurisdictions. Secondly, I take the position that I'm very reluctant to have the Government tell me what I should do to protect myself when it doesn't effect the lives of others. Thus, I have never been a fan of either the helmet law of the seat belt law."

ABATE of Oregon Newsletter

To the Editor;

We know from other organizations in other states as well as our own experiences here in Oregon that the personal letter is still the most powerful tool of influence we have at our disposal. Legislators take the time to read personal letters and take them as indications of more than one person's opinion.

Many people think that since they don't have a typewriter, or aren't used to writing letters, or they misspell some words that their letter is unimportant or will be disregarded by legislators. This is untrue! Legislators count votes and they feel certain that anyone who writes to them is going to vote, whether their spelling or penmanship is perfect or not.

The next problem in writing to a legislator is how to go about making your point clearly and quickly. This article is intended to be of help to you in doing just that. What follows is, first, an outline for a letter, and second, a sample letter. If you use the sample, try some word changes that fit your usual talk (and keep it clean), or change the order of some of the parts. This is so legislators won't think they are seeing the same letter over and over again. If they think this they will discount the letter's value and we will be defeating our purpose.

OUTLINE

- I. Return address
- II. Greeting with the person's title (Governor, Senator, Representative, etc.)
- III. Identify yourself (give a piece of information which communicates why you are interested in the topic)
- IV. State the topic (specific Bill number and title) and your agreement or opposition in the same sentence
- V. Give one clear reason for your opinion
- VI. Ask for a reply (this will give you something to refer to if you need to write this person again)
- VII. OPTION: Repeat item IV in slightly different words as a closing

Minutes of the May 13, 1989 State Board Meeting

The meeting was called to order by Coordinator Rotten Roger at the Sundown Station, Creswell, Oregon.

Roll call of chapters: Central Oregon 2, Clatsop County 2, Columbia County 1 Coos County 2, Douglas County 2, Jackson County 1, Josephine County 2, Klamath Falls 0, Lane County 1, Lincoln County 2, Mt. Hood 1, N.E. Portland 2 Salem 2, S.E. Portland 2, St. Johns 0, Washington County 1, Yamhill County 2. Total 25

Treasurers Report: Checking \$881.45 savings \$ 56.21 Postal Fund \$332.58
Total \$1270.24

Total Membership as of May 1, 1989 is 1091.

The minutes of the last meeting were approved as read.

Fossil: So far we have one band for sure, and Roger is working on the others. Most everything is ready to go, as all chapters have done a great job. Each chapter needs to remember to bring 10 gallons of gas, a door prize, a box of trash bags and extension cords. Beer shifts will be posted as well as security shifts.

The next Governors Advisory Board Meeting will be June 13, Tuesday, at Bracks Restaurant in Woodburn at 6:30. A report from the last one will be in th newsletter. If you are planning on taking an ERC course this year, sign up fast as they are filling up rapidly. Roger reports that voter registration is way up right now. Motorcyclists have been doing a great job writing letters and calling the capitol but we still need help. Concentrate right now on the lemon law and on the medical exemption law. Also on a federal level they are trying to impose a nation wide seatbelt and helmet law. Keep on your toes!!!

The MDA run has been set for August 5. There will be more information on this run after Fossil.

Rules of Operation Committee: New rules are being discussed by each chapter as well as at state board. We should be able to vote on these at the June state board meeting.

Old Business: Members from St. Johns chapter said they did not wish to continue their chapter. A motion was made by Lincoln County to pull their charter. Motion passed. All memberships will automatically be transfered to Indian Creek unless otherwise specified. The owner of the Sundowner Station in Creswell where we usually have our board meetings is looking into putting up an accordion door that can be closed during our meeting to cut down on background noise.

New Business: A Finance Committee for the newsletter has been formed and Vicky Lechner of Lincoln County will head the committee. The committee will report back at the June board meeting. The state is looking into having balloons made for publicity at parades and other affairs.

Announcements were made. The June state board meeting will be in Portland at Mt. Hood Community College.

There being no further business or announcements, the meeting was adjourned.

KLAMATH FALLS (continued)

4023 S 6th, K Falls. For more information, call 884-4076.

The Chapter Treasurer's job is up for grabs if anyone is interested in taking it over. At the present time this job only requires about 3 hours work per month with a good ability to add and subtract and read and write mandatory. Our Treasury is not poor by any means.

Don't be greedy and try to do both jobs. I can assure you from experience, doing one job at a time is enough.

Still addressing K Falls members, and ABATE members living in Falls but belonging to other chapters:

Situation: 15% of this chapter's members almost always attend our monthly meetings.

Question: If 85% of our members are disinclined to attend even one meeting a month, why isn't there an open revolt to rid this chapter of all causes of non-participation?

Question: Isn't this YOUR organization/chapter/locality?

Question: What are you going to do about this situation?

1. Show up at Inges June 19, 6 PM.
2. Say "screw you Preston" and throw the newsletter away.
3. Make up an excuse why you can't before you've even tried.
4. Be like lots of other people, know what you want accomplished, don't be shy, state your feelings face to face and say "I want to do this (whatever it is) for the Klamath Falls Chapter."

Monthly chapter newsletters have been sent out to all current and expired members for the past year and there has been no response at all.

I, Preston, would like to see all ABATE members and post (hopefully renewed) members in K Falls get together this chapter again so that it can be a viable part of ABATE of Oregon, Inc., as it has been in the past.

Sincerely,

Preston

LINCOLN COUNTY

We are working on Beaver Creek Run, happening July 15 and 16. For those of you that have been to a Beaver Creek Run before, there are going to be some changes. The Kitchen is being moved down by the stage so that the wonderful Kitchen workers can be down where the action is happening. We will be having fireworks again, a real crowd pleaser. We had Team Oregon bring their Mobile MRC to Newport and had an ERC in May. The response for both classes was tremendous.

Hope to see everyone at Beaver Creek...Vicki

SE PORTLAND

Hi from SE. Hey, it's definitely riding season, no arguing that, but ask yourself, "when was the last time I actually rode with a group of members from our chapter?" A lot of us who can't attend meetings because of work schedules, almost never get to meet our fellow members to get together to ride. After all, if we didn't ride motorcycles, we wouldn't be so concerned about helmet laws and such.

A solution to this has been kicked around at the last few meetings. It has been proposed that we meet a couple of Sundays out of each month at a restaurant for breakfast, and simply go for a ride. If it's raining, we can still just have breakfast, or have coffee and shoot the bull. Anybody interested in this, that has a good idea of a place to meet (preferably a Denny's or 24-Hour Restaurant) or wants to go for this, should either bring it up at the next meeting or call me at 1-206-694-9601. After all, isn't riding motorcycles what we're all about? See ya on the road, Phil
